## **Think About Re-Gifting To The Silver Center**

By Jan Almon

I received a beautiful, top-of-the-line set of flameless candles, in peach as a gift last Christmas. But I already have too much stuff and peach really isn't my color.

Rather than add to the clutter, I am taking them to the Silver Center as a silent auction item for the upcoming Taste of Seguin fundraiser. They may get combined with something else, or become a door prize, whatever suits the need best. They are still boxed, never used, tags in place, exactly like they came from the store.

I bring this up because I suspect you may have something lurking in the corner of a closet or dresser drawer, as new and as nice, you planned to re-gift someday. I'm suggesting you re-gift it now and add to the growing grandeur of Taste of Seguin, the Silver Center's annual fundraiser.

This year's event is set for Tuesday, June 23, from 6 to 8:30 pm at the Seguin-Guadalupe County Coliseum, 950 S. Austin St. This 9<sup>th</sup> Annual Taste of Seguin is sponsored by Guadalupe Regional Medical Center.

Based on the preceding paragraphs, you know a silent auction and door prizes are part of the activities. The main event, however, is the competition among the chefs of our region for the best appetizers, soups/salads, entrees and desserts. Restaurants, caterers and commercial kitchens come together and are each eligible to compete in two of the four categories.

A panel of judges tastes all the entries and names their picks, then guests vote throughout the evening to name a "People's Choice" winner in each category. The chefs bring their best and it is a taste extravaganza.

American Bank is provided complimentary beer and wine to accompany your food tasting experience.

This is a terrific bargain because there is also entertainment by Tin Roof, dancing, baked goods, and a raffle with great prizes. Door prizes include gift cards, tickets, jewelry and much more.

Rest assured, the silent auction will not be limited to the re-gifted items this column has sought, or my flameless candles. Silver Center members are hard at work gathering outstanding items to make this another fun part of the evening.

All of this leads to the conclusion that The Taste of Seguin will be a fun and memorable event you should want to attend.

On the evening of June 23, you will be able to sample the best appetizers, soup/salad, entrée and dessert in the region, sip a complimentary beverage, win a coveted door prize, bid on an array of highly desirable silent auction items, purchase a chance on some spectacular raffle items, listen and dance to the music of Tin Roof, and visit with friends.

Best of all, you will make a difference in the life of a Seguin Senior by contributing to the Silver Center. You will have done all of this for \$25.00 if you purchased a ticket in advance at Gift & Gourmet, KWED, Seguin Gazette, Seguin Area Chamber or the Silver Center. A ticket at the door will cost you \$30.

Information on all the other activities at the Silver Center this month can be found on the calendar at website <http://www.silvercenterseguin.com/>, go to the Facebook page or call the Center, 830-303-6612, for information.
