## President's Corner...

Since August is the only month without a holiday, we'll have to make it through thirty-one days (and hot ones at that) with no celebrations. It's a good thing we have some neat things going on at the Silver Center! The first thing is the crafts show that is to take place on Saturday the 5th. There are twenty booths signed up so far and each of them will have hand crafted goods, not merchandise purchased for resale. The hours are 10:00 to 2:00. Be sure to come and bring a friend or two and spread the word about it so we have a good response for those twenty vendors. Also, there will be door prizes and admission is FREE!

There will also be our regular Lunch n Learns, so be sure to call and register to receive some great information and a super lunch for free. Each of these sessions is sponsored by a business for the purpose of marketing itself, and we hope you will support that business by attending and perhaps by using its services.

Next on the schedule is our Silver Opry and it is still going strong, thanks to your support. It is held on the third Thursday of each month and features local talent. Kirk Herbold & Matthew Hartmann will be performing this month, and you can be sure it will be a good show! Remember that you can purchase a great hot meal for the evening before the show and at the break.

Election of board members will take place in September, and we will have the slate of nominees ready in August. If you or someone you know would like to be placed on the ballot, let Glenda know. (Be sure and get permission from the person you'd like to nominate.) It's a wonderful way to help guide the Silver Center and keep it going in the positive direction it is going right now.

Oh, you will be glad to know that we passed the health inspection with flying colors! We received a perfect score-100%! That is the result of much good 'ole' cleaning, using lots of elbow grease. Congratulations to all who helped make it such a successful inspection!

Remember that we can always use more volunteers. The act of volunteering is a benefit to both parties involved. The volunteer receives a warm fuzzy feeling for having helped and the organization is better for the help it received. It can't get any better than that.

Stay cool and hydrated and pray for rain.

Brenda Englemann  
Silver Center President

## **Hello From the Front Office!**

Hi folks! I hope your summer has been as amazing as mine! I was blessed to be able to go on a week-long vacation with my youngest son and his lovely wife in July. We had a great time and made some lasting memories. I hope you take some time this summer to make some memories, too. Our wonderful staff held it all together while I was gone, and I want to personally thank them all for their dedication and team effort in keeping all of your needs met while I was gone. If you don't know all of our staff, please take a moment out of your day and come by to visit! This Center has a wonderful group of dedicated individuals running it that you would be proud to call your friends.

August is working up to be a fun and busy month for us... We have a new event on our calendar this month! We will be hosting a CRAFT FAIR at the Center on Saturday, August 5th from 10 AM - 2 PM. Admission is FREE... and I hope you are all able to come out to support these hard working vendors and see their fabulous hand created items and possibly pick up a few treasures for yourself and unique gifts for friends and family. There will be all sorts of lovely things to choose from! Handmade Pottery, floral items, wreaths, embroidered items, quilts & throws, beautiful jewelry, creative handbags, and ornaments will all be on display for you to see and purchase. What a way to kick off the month! Please plan on joining us. Bring a friend! Bring a neighbor! Bring your wallet... so we can hopefully host this event again soon! LOL

We also have more Lunch and Learn sessions than ever this month. Please mark your calendar for Tuesday, August 8th and Thursday, August 10th, as well as Tuesday, August 15th and Thursday, August 17th. Please call in to reserve your spot and to learn what the hot topics for the month are... We promise that your sponsors will engage your mind and body and we will serve you a delicious and hearty meal!

I can hardly wait for the line-up of stars for the Silver Opry that we will host here on Thursday, August 17th. HAVE YOU SEEN ONE OF THESE SHOWS? What talent! Every month we host new and exciting performers for your country music enjoyment, and we certainly hope you will join us this month! Those of you that were lucky enough to have attended our first Silver Opry will remember Mr. Kirk Herbold who helped us kick it all off in May, and he has graciously agreed to come out and headline the entertainment for us in August! He is a very talented man who (lucky for us) is now a Seguin resident.

Please mark your calendar and purchase your presale tickets early! Remember we serve a delicious hot meal before the show, so come out and enjoy dinner with us at 6 PM before the show starts rocking. (You'll never know who the surprise guest might be this month... but I think it will make you grin!)

I want to thank you all for your gifts of encouragement. Our Center is truly a special place to visit and to work with. You make me smile! I would wholeheartedly encourage you to come up and volunteer with us. You might find out that you need us as much as we need you! I hope you enjoy some of the Taste of Seguin pictures that we will showcase in this newsletter. May God Bless you and keep you safe until I see you again!

Glenda Layton  
Executive Director

### STAY ACTIVE WITH TAI CHI

Many older adults are looking for a gentle, low-impact exercise program that helps them stay active and improves muscle strength, flexibility and balance. TAI CHI fits the bill!

The benefits include, but are not limited to, helping with arthritis pain, reducing blood pressure, reducing stress and depression, and helping reduce bone loss in menopausal women. Tai Chi is a phenomenal exercise, and it all started with the ancient Chinese!

Join us at the Silver Center on Mondays at 9:00 am. It is only \$1.00 per class. Hope to see you there.

## **The Importance of Walking---Walking Can Add Minutes to Your Life!**

- \* My grandpa started walking five miles a day when he was 60. Now he is 97 years old, and we don't know where he is at.**
- \* I like long walks---especially when they are taken by people who annoy me!**
- \* The only reason I would take up walking is so I could hear heavy breathing again.**
- \* I have to walk early in the morning, before my brain figures out what I'm doing.**
- \* I joined a health club last year, spent about 400 bucks, haven't lost a pound--- apparently you have to go there.**
- \* I do have flabby thighs, but fortunately my stomach covers them.**
- \* The advantage of exercising every day is so when you die, they'll say, "Well, she looks good, doesn't she?"**
- \* If you are going to try cross-country skiing, start with a small country.**
- \* I know I got a lot of exercise the last few years---just getting over the hill. We all get heavier as we get older, because there's a lot more information in our heads. That's my story, and I'm sticking to it.**
- \* Every time I start thinking too much about how I look, I just find a happy hour, and by the time I leave, I look just fine!**
- \* A local radio station interviewed an 80 year old woman who just got married for the 4th time. She told the reporter that her new husband was an Undertaker. What did your first 3 husbands do before they passed away? My first was a Banker, the 2nd was a Circus Ringmaster, and the 3rd was a preacher. One for the money, two for the show, three to get ready, and the four to go!**
- \* A successful man is one who can make more money than his wife can spend. A successful woman is one who can find such a man!**

## Saturday, August 5, 2017 will be our First Craft show at the Silver Center, 510 E. Court Street, in Seguin from 10:00 till 2:00.

This is a heavily traveled main street, just a few blocks from the heart of downtown and between Highway 46 and Highway 123.

The Show is for **HANDMADE CRAFTS MADE BY THE VENDOR OR IMMEDIATE FAMILY**

**MEMBER.** NO direct sales, flea market, rummage sales/garage sales type merchandise. If you would like to participate in this Craft Show, please contact either Glenda Layton (Executive Director) or Tammy Dillon (Volunteer Coordinator) at (830) 303-6612 or email: [silvercenter@sbcglobal.net](mailto:silvercenter@sbcglobal.net) to ask for the application. Cost for a booth is **\$ 20.00** for an approximately 10' x 10'space with ONE 8' table and 2 chairs. You may bring additional tables/racks/display cases, but they must stay within your booth space and be safely constructed and not obscure the view of other vendors. Access to an electrical outlet will be an **additional \$ 5.00 charge.**

Vendors must also donate an item(s) valued at least \$15.00 for a raffle The Silver Center will conduct. The item you donate does NOT have to be an item from your inventory, but could be a nice item you received as a gift but don't need or an item you saw on sale, etc. .

Since this is an **INSIDE** Craft Show there will be no refunds, unless the cancellation is at the option of the Silver Center.

The Silver Center will also be selling coffee, possibly doughnuts, sandwiches, Frito Pies, desserts, chips, bottled water, ice tea and soda water for your convenience. We ask you not sell these items at your booth. Any canned goods or plants must have the required permits and licenses.

I am looking forward to seeing many of you again on August 5th in Seguin with your great Handmade Items.

## SILVER STAR

Meet our August Silver Star, Doreen Dunnihoo! She is a friendly, outgoing, fun person who has tons of fascinating stories to tell about her life. Doreen was born in Dalton, Nebraska and raised in the NE part of Nebraska. She graduated from high school where her graduating class was made up of six girls and two boys. (Remember this bit of information for a little later in this story.) There have been many interesting events that have taken place in her life and a lot of them have centered around her birthdays, as you will soon read.

Doreen has been a volunteer at the Silver Center since 2014, when her niece invited her to move to Seguin from California. She had just retired and had turned 70 in 2013 and was looking for something new to do. So she came to Texas! She is the Silver Center's bookkeeper on Tuesday, Wednesday, and Thursday, but the rest of the time you will find her doing a little bit of everything at the center. She is a cashier at the Thrift Store on Monday and Friday, a bartender at the Silver Opry, works the Friday night dances, and was instrumental in helping with the Taste of Seguin in June. She volunteers because she enjoys doing for others and Doreen is a very social person. A person can talk to her for 10 minutes and feel they have known her for quite some time.

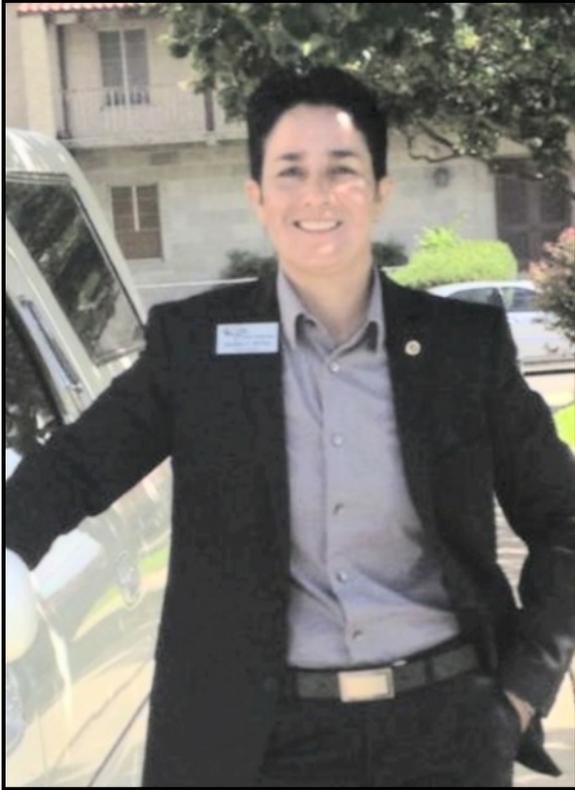

Before she moved to Seguin, she was a personal assistant for a family in California from 2002-2014. She paid their bills, maintained the family's cars, cleaned house, grocery shopped and when they had a baby, Elan, she became his nanny. She loved the work and she loved that little boy. Elan was growing up, and it was time for her to retire. She wanted to try something different and new.

Here are the birthday stories I told you about earlier. When Doreen turned 50, she and 3 girls from her graduating class went to Las Vegas. They had such a terrific time, they decided that they would do the trip to Vegas every 5 years. On her 55th birthday, she went skydiving. It was about this time she owned her own motorcycle and owned a motorcycle bar in California. For her 60th birthday, her friends had a huge party for her and she wrapped baby Elan in her arms and danced with him. Ten years later, at her 70th birthday party, little Elan came to her and asked her to dance. She said for her 75th birthday, she is going on a cruise to Cozumel. She doesn't know when, but she wants to go zip lining with her niece, hopefully sooner than later. Before I leave the birthday stories behind, her birthday is Friday, July 21, so stop by and give her a belated birthday wish.

Doreen loves to read. She said her house looks like a library she has so many books. She also loves to dance which she does on Friday nights at the Silver Center and on Sundays in Geronimo. One of her favorite games is Mahjong Connect on the computer. Doreen loves life and people. She loves telling stories about her most phenomenal life. She said that she has had the best life ever and it all started on a Nebraska farm many, many years ago. Come by the center and meet our newest Silver Star, Doreen Dunnihoo!

### Public Open Forum on Death Related Topics:

It's difficult to talk about death or dying, but we all will need to do it at some point in our lives. We need to feel the freedom to talk to others about our questions, our concerns, our experiences, and learn from each other.

#### Question of the Month:

Is embalming required by law in the state of Texas?

#### Answer:

No, embalming is not required by law in the state of Texas; although it may be suggested depending on the type of funeral service you select. If a family selects funeral services such as, Direct Cremation or Immediate Burial, it does not require embalming.

We encourage you to ask us those questions that may be weighing over your heads; and you may submit your questions to the following:
