President's Corner...

Hello Everyone!

I hope by the time you get this newsletter, it is somewhat cooler. These days of 100+ (according to my thermometer) are getting to me, even though I know it's August in Texas.

Despite the heat, we had a great turnout for the craft show. There was a wide variety of items and all of them hand-made. Save your money for November, when we will have the next one. Several Silver Center members won items in the raffle, which were donated by the crafters. If you missed it, be SURE to come to the next one, and if you didn't miss it, you won't want to miss the next one.

If anyone ever asks about local talent, just tell them there is a whole lot of it, and we are showcasing it at the Silver Opry on the third Thursday of each month. In July, we had some newcomers to the stage and did they ever wow the crowd. Gabriel Galvan and Hunter Hewell demonstrated what great young talent there is among us. The August show brought back favorites Chris Rybak and Kirk Herbold, and new to the opry, Bill Gibbons. Mark your calendar for the third Thursday and don't miss the next show. Besides great music, there is delicious food available.

September brings the annual meeting on the 12th. This is your chance to get an update on the condition of the Silver Center and to vote for Board members. Light snacks will be served. If you know of someone who would like to serve on the Board, ask that person first and then give Glenda a call to put him/her on the ballot. We can use some more working (not necessarily employed) Board members. Someone who can and will give of time and talent at the Center is who we are looking for.

Take a look at the calendar to see all of the activities going on all month. There is something nearly every day. so surely there is an activity that you might enjoy.

Remember, school is back in session, so watch for children and school zones. We want everyone to be safe.

Brenda Englemann

We are closed on September 4th for Labor Day! Enjoy your holiday.

Hello From the Front Office!

I hope this newsletter finds you happy, healthy, wealthy and wise. It's time to schedule your flu shot and to consider your charitable donations before the end of the year. The Silver Center could certainly use your charitable donation to help repaint our building... or to repair the ceiling tiles that have discolored when the roof leaked... or to pay off our dance floor loan... so that we can have it refinished. Every little bit helps!

It's been a great summer, but now it's time to think Fall!

September has so much to offer. Children back in school allows you to make **YOURSELF** a priority for awhile. How about taking a Tai-Chi class or yoga class here at the center one morning a week? I have a yoga instructor that will teach 'chair yoga' to our members... if you would just call and give us your name and phone number so we can contact you to set up a good time for a class!

We also have someone that will give lessons on how to email or use your computer. Call in and leave your information to have Joyce contact you about a good time for you to come learn how to use your computer more effectively. We have lots of activities daily to get you out of the house! Please join us.

SILVER OPRY... what can I say? It's fun! It's fabulous and it's very reasonably priced. Please mark your calendars for September 21st when we have **Bob Appel, Priscilla Speed, Madelyn**

Abrameit and Denny Ivey on hand to entertain you. Doors open at 6 and admission is just \$7. We always have a fabulous meal for you to enjoy and this month we will be serving Fried Shrimp and Fried Fish, coleslaw and French fries for just \$7! We hope you are able to join us for another great evening of good old country music. Our Board of Directors need your help. It is time to elect new board members. Who has the time and energy to help direct our center or who knows someone that you do business with that might be interested? To be part of the Board you need to be a member in good standing and you need to be willing to help with some of our events and activities like dances or luncheons or evening rental events. There is also a Board meeting every month to attend. Do you know someone that has time to be part of our board? I need your nomination letter as soon as possible.

Our membership meeting this year will be held on Tuesday, September 12th at the Center from 5 until 7PM. We will have wine and cheese and some light snacks. I hope you are able to attend.

Membership!!! We know how much mail you get and we want to be sure your membership letter arrived on time when it was time to renew. If we have missed your birthday or you are not getting your newsletter, it's possible that your membership has lapsed. Please check in the next time you're here for one of our fabulous lunches to be sure that you're still a member! Our center is kept running by your continued membership dues and donations.

I want to thank **The Spirit of Joy Church**, who use our center for their worship services, for making us a focus on their day of work in September. You may have noticed the stripes in the parking lot aren't as bright as they used to be and the lights in the building are certainly dim because the ballasts have died over the years. The church members are coming together to help us bring our building back to life. One church member is even going to trim our trees!

Thank you so much for your help and support in making our center a more beautiful place to worship.

May God Bless you and keep you all... until I see you here again!

Audrey Hepburn once said, "As you grow older, you will discover that you have two hands - One for helping yourself and the other for helping others!" Our Silver Center Volunteers are such a treasure to us. They volunteered 677 hours (196 RSVP hours and 481 regular hours) for the month of July! They are always reaching out to others and making our Center a better place. If you are looking for something to do a couple hours a week, consider us. We will find the perfect place for you. STAY ACTIVE WITH TAI CHI

Many older adults are looking for a gentle, low-impact exercise program that helps them stay active and improves muscle strength, flexibility and balance. TAI CHI fits the bill!

The benefits include, but are not limited to, helping with arthritis pain, reducing blood pressure, reducing stress and depression, and helping reduce bone loss in menopausal women. Tai Chi is a phenomenal exercise, and it all started with the ancient Chinese!

Join us at the Silver Center on Mondays at 9:00 am. It is only \$1.00 per class. Hope to see you there.

BIRTHDAY BINGO

On Friday, September 1, 2017, starting at 1:00 PM, you are invited to join us to celebrate our August birthdays with gifts, cake, and bingo! Heart to Heart Hospice and Guadalupe Valley Nursing Center are sponsoring this special event. We have a lot of fun, so join us for our August HAPPY BIRTHDAY CELEBRATION. All members are invited!

Potato People

A girl potato and a boy potato had eyes for each other, and finally they got married and had a little sweet potato they called **Yam**. Of course they wanted the best for Yam. When it was time, they told her about the Facts of Life. They warned her about going out and getting half-baked, so she wouldn't accidentally get mashed and get a bad name for herself like "**Hot Potato**", and end up with a bunch of "**Tator Tots**". Yam said not to worry. No **Spud** would get into her sack and make a rotten potato out of her! But on the other hand, she would not stay at home and become a "**Couch Potato**" either. She would get plenty of exercise so as not to be skinny, like her **Shoestring Potato** cousins. When she went off to Europe, Mr. and Mrs. Potato told her, "You watch out for the **Hard-Boiled** guys from Ireland, and the greasy guys from France called **French Fries**", and when she went out West to watch out for the Indians, so she wouldn't get **scaloped**. Yam said she would stay on the straight and narrow, and would not associate with those high classed **Yukon Golds**, or the ones from the other side of the tracks, who advertise their trade on all trucks that say "**Frito Lay**". Mr. and Mrs. Potato sent Yam to Idaho P.U. (That's Idaho Potato University), so that when she graduated she'd really be in the "**Chips**"; but in spite of all they did for her---One day she came home and announced she was going to marry Tom Brokaw. Mr. and Mrs. Potato were very upset. They told her she couldn't possibly marry Tom Brokaw because he was just a **COMMONTATER!**

A Couple Party Jokes

Irene and Bill were sitting on their patio, each sipping a glass of wine, when Irene says, "I love you so much! I don't know how I could ever live without you." Her husband asks, "Is that you, or the wine talking?" She replies, "It's me, talking to my wine."

Last night, my kids and I were sitting in the living room, and I said to them, "I NEVER want to live in a vegetative state, dependent on some machine, and fluids from a bottle. If that ever happens, just pull the plug." They got up, unplugged the T.V. and threw out my wine. The little bastards!" Wife asks her husband, "How would you like to go on a second honeymoon?" He says, "With who?"

Maple Oat Chewies

These are the most delicious cookies! Wonderful flavor and easy to make!

Makes 5 dozen cookies

- | | |
|--------------------------------------------------|------------------------------|
| 1 cup sugar | 1 3/4 cups All Purpose Flour |
| 1 cup firmly packed brown sugar | 2 tsps. baking powder |
| 1 cup butter, softened | 1 tsp. cinnamon |
| 1 Tbsp. molasses (used mild molasses) | 1/2 tsp salt |
| 2 tsps. maple extract (used 1 Tbsp. Maple syrup) | 2 cups rolled oats |
| 2 eggs | 2 cups Rice Crispies |

Heat oven to 350 degrees. Grease cookie sheets. In a large bowl, beat sugar, brown sugar, and butter until light and fluffy. Add molasses, maple extract and eggs; blend well. Lightly spoon flour into measuring cup; level off. Add flour, baking powder, cinnamon, and salt; mix at medium speed until well-blended. Stir in oats and rice crispies. Drop by heaping teaspoonfuls 2 inches apart onto a greased cookie sheet.

Bake for 8 to 12 minutes or until light golden brown. Cool 2 minutes, then remove from cookie sheet. TIP: One cup of butterscotch chips can be added if desired.

SILVER STAR

Many of you may well know our September Silver Star, Mark Zoboroski. He is a lifelong resident of Seguin as well as being a police officer for the City of Seguin for 32 years and a Reserve Officer for 10 years. After his retirement he went to work at Goetz Funeral Home and is currently working for Tres Hewell Mortuary. Mark feels that being a police officer and working for the funeral home is his way to serve the community. Mark joined the Silver Center as a volunteer six months ago, and he has been busy ever since! He works at the Thrift Store on Mondays and Fridays. He also has been known to clean windows and make repairs

where necessary. He said he became a volunteer because he wanted to give back to the people in his hometown. Besides the Silver Center, he is also a member of the Sunset Lions and the Sons of American Legions, and I am fairly certain they keep him busy as well.

Mark began his work with the City of Seguin as a dispatcher, then as a patrolman, a Patrol Sergeant, and a Sergeant of Criminal Investigations. He attended several schools throughout his career but a standout for him was when he graduated from the first Texas A&M Police Academy. He was also a graduate of the FBI Academy at Quantico, VA. Mark loved being a police officer and Robert, his brother, also a police officer, was a huge influence on Mark becoming involved in his career path decision. He has never looked back or regretted any decision he made when he became a police officer all those years ago.

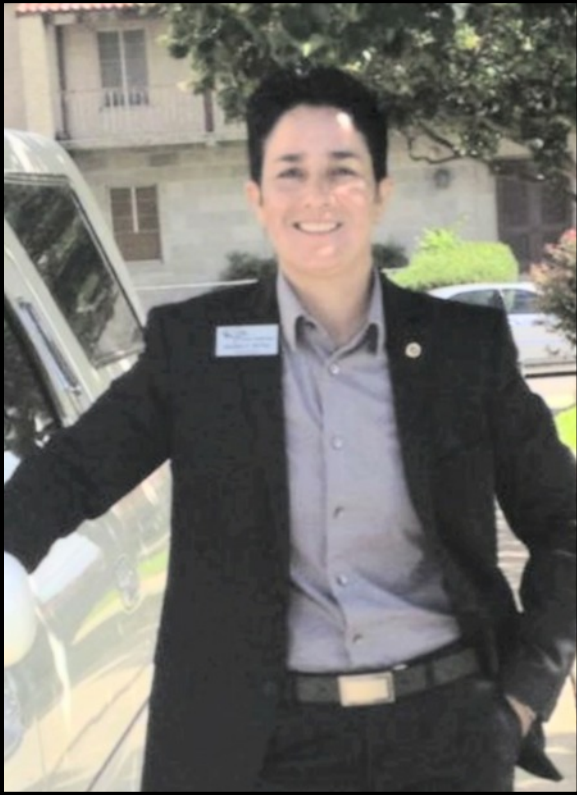

Mark has been married to Peggy for 30 years. Mark and Peggy have enjoyed 4 cruises to the Caribbean. They have traveled to Belgium, Holland, Switzerland, Austria, Italy, England, Germany, France, Monaco, and Scotland to name a few. Peggy and Mark have also traveled to many places across the US. The two of them go to Port Aransas on weekends and enjoy going to Casinos when they can squeeze it in. As you can see, they absolutely love to travel. Mark said he loves fishing and hunting as well, but he also enjoys working, working, working!

Mark has 5 children, 11 grandchildren, and 3 great grandchildren. Peggy's brother, Steven, who has Down Syndrome and lives with them, is also a very special person in Mark's life. Something many people don't know about Mark is that he is sensitive and sincere towards people. He likes people! Because of his background in police work, he feels like sometimes people do not see that softer side of him. When I asked Mark what inspires him, he said, " Besides God and my wife, Peggy, I love America. I wish that people could find common ground so that we can move forward as a nation and find peace."

Well, as you can see, Mark is an interesting, happy, contented person. He enjoys life, family, and travel. If you are at the Silver Center on Monday or Friday, drop by the Thrift Store and say hello to our September Silver Star, Mark Zoboroski!

Public Open Forum on Death Related Topics:

It's difficult to talk about death or dying, but we all will need to do it at some point in our lives. We need to feel the freedom to talk to others about our questions, our concerns, our experiences, and learn from each other.

Question of the Month:

Is embalming required by law in the state of Texas?

Answer:

No, embalming is not required by law in the state of Texas; although it may be suggested depending on the type of funeral service you select. If a family selects funeral services such as, Direct Cremation or Immediate Burial, it does not require embalming.

We encourage you to ask us those questions that may be weighing over your heads; and you may submit your questions to the following:
