President's Corner...

As I sat to ponder on what I would write to you all about, it came to me through my stomach. It was well after lunch time and my stomach was screaming at me. For those of you who know me well, you know that I'm never shy about getting in line first at the buffet. So, when my stomach started fussing at me, I started thinking about where I wanted to find some food to fill the void. Then, of course, that brought another dilemma. TOO MANY DECISIONS! Now of course, the Silver Center kitchen is always my first pick. But, again, it is well after lunch and they are now closed. As I thought about the different dining options our lovely community has to offer, and trying to make a tough decision, it came to me like a dog hearing a cheese wrapper being opened. Taste of Seguin.

Now as you all know, the Taste of Seguin, is the largest fund raiser we host each year for the center, and we rely heavily on the proceeds from the event. This year's event will be held on June 19, at the Seguin Events Complex, a.k.a. the coliseum. Tickets are \$25 in advance or \$30 at the door. The ticket price includes all you can eat food samples from Seguin's commercial kitchens, liquid fun sponsored by First United Bank, a silent auction, a live auction, and live entertainment provided by the Silver Opry House Band. And of course without the support of Guadalupe Regional Medical Center as the event sponsor, this event would not be possible. As usual, the celebrity judges will choose their favorites in 5 different categories, but the people's choice in each category is always the most fun. Last year's event was so much fun, we completely SOLD OUT! So you definitely don't want to miss the fun this year. Tickets are limited so be sure to get yours soon.

I can't wait to see what all of these great vendors are bringing to the table this year. But I better get going to my table or my stomach is going to eat itself talking about all of this deliciousness! Get your tickets now, for your sake, and mine, before I eat everything!

Sincerely,
Kay Lynn Hawkins
President

Hello From the Front Office!

Wow! Can it really be JUNE? This year is flying by. Our weekends are booked here at the Center and our days are full of events. THANK YOU all for coming out and having lunch with us and sharing your stories with us!

Every Saturday night is booked for events and we have some NEW items on the books that we hope you enjoy! One of our employees wants to bring a smile to your face and some fabulous memories into your heart with her idea. She recommended that we have a DRESS UP DAY once or twice a month! Friday, June 15th we will be looking for you in an outrageous or memorable tie to help us celebrate Father's Day with us! If you come in sporting a tie you will get a fun little token from us. On Tuesday, June 26th we will have a fun LUAU Day at the center. Wear something that makes you think luau, Hawaii, etc. and get a fun little item from the Center!. LET'S HAVE SOME FUN WITH THIS! I won't make it to Hawaii, but I can dream about it!

Our fabulous Silver Opry will have a BUNCH of talent here for your pleasure! Clint Taft, Tom Teboe, and John Hanson will all be here on Thursday, June 21st and the show starts at 7PM. Doors open at 6PM for a CHEESE ENCHILADA DINNER!!!! You ought to make plans to be here!

I can't forget the major event of the month... TASTE OF SEGUIN! If you've never been, you need to come out and experience it. You will see a great bunch of people and eat the very best food in town. Various fun beverages will be there for your enjoyment and the Silver Opry Band will be performing for your evening's enjoyment!

Last but not least, here's an update on the Bulldog pups... All of my wrinkly little babies have now gone home with their new owners. (sniff, sniff.) I simply couldn't stand all of the quiet, so I went out and purchased a new sweetie for myself! Stop by and meet my new addition, Lilly!

As always, I look forward to seeing you at the Silver Center! God Bless you all!

Pamela "Pam" Davis

The Silver Center's New Volunteer Coordinator

I am an only child, born in Dallas, Texas, where I resided until the age of six at which time my family moved to Houston. It was here that I began my interest in music and began taking piano lessons.

My father transferred to San Antonio where I attended and graduated from Roosevelt High School. After graduation, I applied and received a 4-year scholarship to North Texas State University in Denton because of their renowned music program. I graduated with a degree in Classical Music and a minor in Psychology.

Returning to San Antonio, I married Billy West, a local cattle rancher. We lived in Elmendorf, Texas. Living on a 5,400 acre working cattle ranch was quite an experience. What a change from the big city, but I loved it! Life was good, and a little boy joined our herd. We were very involved in our church and I accepted the position of music director. Upon Billy's death, I worked at various professional jobs. I then remarried briefly and had a second son, Chris. The boys and I left San Antonio and moved to Seguin. My parents were now living here, and I felt a small town atmosphere would be a better place to raise my boys, plus the added support of my parents. At this time, I began working at Navarro ISD.

When my oldest son, Jason, became college age, I left Navarro and went to work for the Texas Prison System, for better pay, to help pay A & M's tuition requirements. During this employment, I worked at four different prisons starting in Human Resources and ending my career as an assistant warden. I also went to school at night to get my Math degree and Teacher Certification.

In 2000, I married my current husband Bill, left the prison system and returned to Navarro ISD. I retired from Navarro in 2013.

The new chapter of my life, at the center is like composing a piece of music. Each experience has brought a new melody to my life. I have met so many interesting people with amazing stories. There is a "song" being composed of smiles, hugs, laughter, and a belonging each of us needs.

WANTED: PEOPLE WHO LOVE TO DANCE.

If you have gotten in the rut of just staying home on Friday nights, the Silver Center Dance Hall offers you a very pleasant alternative. The Hall offers some of the best in local entertainment in an atmosphere of fun and camaraderie.

According to Executive Director Glenda Layton, each band brings its own unique perspective to traditional country music. Patrons enjoy the diversity and, at the same time, appreciate one of the best exercise regimes available.

While the Center is noted for its service to seniors and the community, on Friday nights the Dance Hall is open to people of all ages who enjoy dancing to country music. The ages of the different bands members offers a mixture of music from the past to some of today's artists.

If one of your New Year's resolutions is to spend more time with your significant other in an atmosphere other than the house, the kids and the lawn, give yourself a treat. Let your feet relearn the dance steps you were noted for in the past. Come meet your friends in a place where you don't have to do the cleanup at the end of the night. Do your heart, your spouse, and your mind a favor, start dancing again. You're never too old.

Healthgrades Recognizes Guadalupe Regional Medical Center for Achievements in Patient Safety and Patient Experience

[Seguin,Texas] – Guadalupe Regional Medical Center (GRMC) announced that it has been recognized for two distinctions in quality excellence from Healthgrades: the Healthgrades 2018 Patient Safety Excellence Award™ for the second year in a row and the Healthgrades 2018 Outstanding Patient Experience Award™. Healthgrades is the leading online resource for comprehensive information about physicians and hospitals.

Only 65 out of just over 4,500 hospitals evaluated for patient safety and patient experience excellence achieved both distinctions. This places GRMC within the top 2 percent of eligible hospitals in the nation to receive both awards. This distinction recognizes Guadalupe Regional Medical Center for excellent performance in safeguarding patients from serious, potentially preventable complications, as well as providing a positive experience for patients during their hospital stays.

Patient Safety

During the study period (2014 to 2016), Healthgrades 2018 Patient Safety Excellence Award recipient hospitals demonstrated excellent performance in safety provided to patients in the Medicare population, as measured by objective outcomes for 13 patient safety indicators defined by the Agency for Healthcare Research and Quality (AHRQ). This distinction places GRMC among the top 10 percent of all short-term acute care hospitals in the nation to receive this recognition.

“This national recognition from Healthgrades, for the second consecutive year, confirms our testament to the high standard of care provided to patients every day by the staff at GRMC and to our dedication in providing high-quality, safe care to every life we are privileged to touch”, said Rhonda Unruh, VP of Quality for Guadalupe Regional Medical Center.

If all hospitals achieved the average performance of award recipients for each of the 13 Patient Safety Indicators evaluated, during the 2014 to 2016 study period, 126,342 patient safety events could have been avoided.

In addition, during this study period, patients treated in hospitals receiving Healthgrades Patient Safety Excellence Award were, on average:

- 55.6 percent less likely to experience an accidental cut, puncture, perforation or hemorrhage during medical care, than patients treated at non-recipient hospitals
- 52.4 percent less likely to experience a collapsed lung due to a procedure or surgery in or around the chest, than patients treated at non-recipient hospitals
- 62.8 percent less likely to experience catheter-related bloodstream infections acquired at the hospital, than patients treated at non-recipient hospitals
- 54.3 percent less likely to experience pressure sores or bed sores acquired in the hospital, than patients treated at non-recipient hospitals¹

“Healthgrades congratulates the recipient hospitals on their successes, in both providing outstanding care to their patients and for reducing patient safety events,” said Brad Bowman, MD, Chief Medical Officer at Healthgrades. “Distinctions like these are important to consumers as they determine where to receive care.”

Patient Experience

In addition to being recognized as one of Healthgrades 2018 Patient Safety Excellence Award recipients, GRMC also out-performed peer hospitals in patient experience. Guadalupe Regional Medical Center is among the top 10 percent of hospitals nationwide for patient experience and has received the 2018 Outstanding Patient Experience Award.

“At GRMC, we approach each patient interaction with the goal of meeting and exceeding their expectations”, said Elizabeth Pastrano, Patient Experience Coordinator at Guadalupe Regional Medical Center. “Every positive encounter that a patient has during their stay is a direct result of our team's commitment to providing quality healthcare to each patient we are have the privilege to care for”.

Healthgrades evaluated performance by applying a scoring methodology to 10 patient experience measures, using data collected from a 32-question patient experience survey of the hospital’s own patients. The survey questions focus on patients’ perspectives of their care in the hospital. The topics of these questions ranged from cleanliness and noise levels in patient rooms to factors such as pain management and responsiveness to patients’ needs. The measures also include whether a patient would recommend the hospital to friends or family.

“Patient experience surveys offer important insights about hospitals and their commitment to providing patients with outstanding experience, and furthermore, consumers value that information when making care decisions,” said Brad Bowman, MD, Chief Medical Officer, Healthgrades. “Hospitals that have received the Healthgrades 2018 Outstanding Patient Experience Award have received high marks from their most important stakeholders—the patients themselves.”

¹ Statistics are based on Healthgrades Patient Safety Ratings and Excellence Award methodology, which is primarily constructed using AHRQ Technical Specifications version 5E applied to MedPAR data for years 2014 through 2016 and represent three-year estimates for Medicare patients only.

GRIEF: THE WORK OF THE HEART

Grief is a natural, normal, and necessary reaction to the loss of someone or something that is near and dear to us. We grieve because we have loved and been loved. Grief is a process, not an event. This process has a life of its own. It is a unique and profound time. The journey can be overwhelming, confusing, and challenging because our feelings can be so intense.

Emanuel’s Lutheran Church in Seguin is offering two workshops this summer as a part of the church’s bereavement ministry. These workshops are designed to help those who want to learn more about how to process grief and experience healing. Pastor Darwin Huartson and Donna Simmons will be facilitating these workshops. The workshops are: “Understanding and Processing Grief” and “Allowing Memories to Help Us Heal.”

The first session will be on Sunday, June 24, 2018 from 3pm-5pm and the second session will be on Sunday, Aug 5, 2018 from 3pm-5pm. They are being held at Emanuel’s Lutheran Church, 206 N. Travis St, Seguin, Tx in the Family Life Center on the third floor. These workshops are open to the community as well as members of this congregation. Please note that it will be beneficial to attend both sessions, however, if you can only attend one that is fine.

If you are interested in attending, please call Emanuel’s Lutheran Church office at 830-379-5046.

Public Open Forum on Death Related Topics:

It's difficult to talk about death or dying, but we all will need to do it at some point in our lives. We need to feel the freedom to talk to others about our questions, our concerns, our experiences, and learn from each other.

Question of the Month:

Is embalming required by law in the state of Texas?

Answer:

No, embalming is not required by law in the state of Texas; although it may be suggested depending on the type of funeral service you select. If a family selects funeral services such as, Direct Cremation or Immediate Burial, it does not require embalming.

We encourage you to ask us those questions that may be weighing over your heads; and you may submit your questions to the following:
