President's Corner...

Well spring is upon us already! I can't believe how time is flying. Pretty soon we are going to be starting our Christmas shopping again. Boy, and I am NOT ready for that. I have very much enjoyed our winter seeing as we haven't really had one in several years. It was a nice change, and I was happy to get to wear my coat more than once this year. But Puxatony Phil, the groundhog, said 6 more weeks of winter, so I am ready.

I will also be ready to see some beautiful spring flowers! What's the old saying, "April showers bring May flowers?" Well, I am ready for those flowers. We also planted our garden and hopefully we will have a great harvest this year. I really enjoy canning tomatoes and okra. Come tell me what you planted this year and maybe you can give me some great gardening tips.

Speaking of tips, check out our Lunch and Learns each month to get some great information on all sorts of helpful and interesting topics. We have another great line up of events this month that you won't want to miss. As always the daily lunches are amazing, the Friday night dances are fun and the Silver Opry is always a star studded event. AACOG's Matter of Balance is here every Friday, Lifeline Health Screening will be here Tuesday, March 6, Elections will be held in Ezell March 6, and the first Friday is Birthday Bingo. A new event to add to the list is every Friday, starting in March, is "Open Game Day" 9-11 and 1-3. Bring your friends and choose from any of the board games we have available and enjoy some fun times together. The Silver Opry on March 15 will feature Natalie Rose, Jimmie Bolado, and Gabriel Galvan. You definitely don't want to miss this.

We are starting to plan for Taste of Seguin and our SILVER ANNIVERSARY GALA. We will have committee meetings this month, and we are in need of some great ideas and research help. The center is here for your enjoyment and we are always looking for activities you can come and partake in. You may have retired from a job, but we DO NOT want you to retire from life. Please bring a friend and come show us your smiling faces. They always make ME smile!

Sincerely,
Kay Lynn Hawkins
President

Hello From the Front Office!

March is here... and with it is softer Spring-like weather and wildflowers! One of my favorite childhood memories is picking Bluebonnets with my Grandmother, Isabell Haese. (Shhhh! I didn't know it was against the law back then!) We would drive the farm to market roads to my grandparent's ranch and walk through the fields and pastures picking Bluebonnets and Indian pinks. Another favorite wildflower of ours was the hot pink Sweet William! My dad's name is William, so I always felt that's why Grandmother & Grandpop named him William!

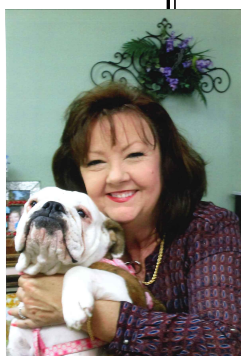

Being raised a country girl was a Blessing that I can appreciate now that I can look back at it with misty eyes. I was raised in Wilson County near McCoy on my Great-grandfather's dairy farm. I drove a tractor at the age of 6 and a pickup (Standard column manual shift, thank you very much) at the age of 9. I took the tractor out to help bring the cows into the dairy barn and I also slowly pulled a flatbed trailer so the ranch hands (politically correct term) could throw hay bales up on it to go stack it all in the barn. I drove the pickup down the dirt road to the dump to throw out our trash bags and when I started school I rode the bus an hour each way every day. My constant companion for over 13 years was my trusty Fox Terrier Buzz.... who far out ranked my little sister for fun back then.

I was pretty much spoiled by my dad since I was the closest thing he ever had to a son. We hunted and fished together always, AND WE STILL DO! I shot my first Buck with dad at my side when I was 9, and shot my last Buck in December with Dad hunting about 200 yards from me and he helped me load it and take it to the house!

Life is good, but life is w-a-a-a-y too short. Cherish your memories and fun times from the good old days, but please come out and make NEW memories right here with us at the Silver Center every Friday night or every weekday at lunch time! You don't have to dance! You don't have to sing! You don't have to play cards! You just have to be open to having some fun conversations with new old friends...

God Bless you all and hug someone that you love TODAY... because tomorrow is not promised to any of us! (((HUGS)))

Glenda Layton
Executive Director.

STAY ACTIVE WITH TAI CHI

Many older adults are looking for a gentle, low-impact exercise program that helps them stay active and improves muscle strength, flexibility and balance. TAI CHI fits the bill!

The benefits include, but are not limited to, helping with arthritis pain, reducing blood pressure, reducing stress and depression, and helping reduce bone loss in menopausal women. Tai Chi is a phenomenal exercise, and it all started with the ancient Chinese!

Join us at the Silver Center on Mondays at 9:00 am. It is only \$1.00 per class. Hope to see you there.

A Recent Flight to Dallas - submitted by Velma Buie

On a recent Delta flight to Dallas, the Captain came on the PA system and announced: "Ladies and gentlemen, we have now reached an altitude of 30 thousand feet. It is a beautiful sunny day, the weather is great, and it looks like we're going to have a good flight to Dallas. We should arrive in about 40 minutes." Then suddenly the pilot said, "Oops--Oh my God! And there was a tense moment before the pilot came back on and said, "Sorry folks, the Stewardess just brought me a cup of hot coffee, and I spilled it in my lap. You ought to see the front of my pants!" To which a nervous passenger yelled back, "You ought to see the back of mine!"

JOIN US FOR THE SILVER CENTER OPRY

We have such a great time every 3rd Thursday of the month listening to local talent, visiting with friends, and maybe dancing a little.

Please mark your calendar for Thursday, March 15 at 7:00 PM. Natalie Rose, Jimmie Bolado and Gabriel Galvan are our entertainers for the evening, and our very own Silver Opry Band will be in charge of providing the fabulous background music for the evening!

Supper starts at 6:00 PM when the doors open. The bar also opens at 6:00 and ends around 8:00 PM. We have the best local talent and a super great meal, so please join us for a delightful night!

WANTED: PEOPLE WHO LOVE TO DANCE.

If you have gotten in the rut of just staying home on Friday nights, the Silver Center Dance Hall offers you a very pleasant alternative. The Hall offers some of the best in local entertainment in an atmosphere of fun and camaraderie.

According to Executive Director Glenda Layton, each band brings its own unique perspective to traditional country music. Patrons enjoy the diversity and, at the same time, appreciate one of the best exercise regimes available.

While the Center is noted for its service to seniors and the community, on Friday nights the Dance Hall is open to people of all ages who enjoy dancing to country music. The ages of the different bands members offers a mixture of music from the past to some of today's artists.

If one of your New Year's resolutions is to spend more time with your significant other in an atmosphere other than the house, the kids and the lawn, give yourself a treat. Let your feet relearn the dance steps you were noted for in the past. Come meet your friends in a place where you don't have to do the cleanup at the end of the night. Do your heart, your spouse, and your mind a favor, start dancing again. You're never too old.

MARCH SILVER STAR

Hank Coor was chosen as the March Silver Star! Thanks to Hank, who is a Charter member of the Silver Center, we have this beautiful, wonderful center where seniors can come to enjoy each other's company, play games, take classes, eat lunch, and just relax if they want to. Hank was among a group of men in 1996 who saw a need for Seguin and made it a reality. He helped remodel the old Baesinger's Grocery Store which took approximately 3 years to refurbish and complete the project.

Hank was in the military for 2 years. He trained in light weapons for 8 weeks, then he trained in heavy weapons for 8 more weeks. In the end, he was sent to Washington D.C. where he was assigned to the President's Honor Guard under President Eisenhower.

After the military, Hank lived in Dayton, Ohio for 7 1/2 years and worked for the Ohio Bell Telephone Company. In 1964, Hank moved to Seguin and worked for Southwestern Bell. He became a full-fledged Texan at this point! Hank retired from AT&T in 1993.

Hank and his sweetheart, Virginia, have been married 35 years. They have a son, Thomas, who lives in California. They also have a daughter, Tammy Burns, who lives in Georgetown. Hank also has two stepsons. Dr. Bryan Patterson, a podiatrist, who recently retired and Dr. Jeff Patterson, a dentist at Fort Sam Houston. The Coors have been blessed with 4 beautiful grandchildren: Andy, Aaron, Ryan, and Lee. They also have four great grandchildren: 3 year old Jenna, 3 year old twins Grayson and Lizzy, and finally baby Hailey, who is only 8 months old. Hank and Virginia have quite a large family and they get together whenever they can.

Some highlights in Hank's life that really stand out for him is he has been a member of the Elks Lodge for 45 years. In 1983, he bowled a PERFECT 300 game! And finally, two times in his life, he has had a hole in one. One was at the Bandit Golf Course and the other was Starcke Golf Course.

Hank's hobbies include taking care of his yard and gardening. He also enjoys reading. He reads the newspaper from cover to cover, and he has several magazines he enjoys reading such as Texas Highways, Popular Mechanic, National Geographic and Birds and Blooms. Although Hank and Virginia no longer travel, they have seen quite a bit of the world. They have been to Germany, Switzerland, Alaska, Florida, California just to name a few.

Hank and I had a great visit over the phone. He worked with my dad, Mr. Van Booven, while refurbishing the grocery store into our wonderful Silver Center, so we were able to reminisce a bit. Come by the center and meet our newest Silver Star, Hank Coor.

Healthgrades Names GRMC 5-Star Recipient in Total Knee Replacement, Hip Fracture Treatment, and Appendectomy

Guadalupe Regional Medical Center (GRMC) has achieved 5 stars for its performance in Total Knee Replacement, Hip Fracture Treatment, and Appendectomy from Healthgrades, the leading online resource for comprehensive information about physicians and hospitals. These achievements are part of new findings and data released by Healthgrades and featured in the *Healthgrades 2018 Report to the Nation*. Every year, Healthgrades evaluates hospital performance at nearly 4,500 hospitals nationwide for 34 of the most common inpatient procedures and conditions.*

“The Healthgrades 5-star recognitions are a testament to the high standard of care provided to patients every day at our facility. This national recognition confirms our commitment to provide high-quality, safe care to each life we are privileged to touch, as well as exemplifies the dedication of our staff when caring for patients”, said Robert Haynes, CEO of Guadalupe Regional Medical Center.

For the 11th consecutive year, GRMC has been the recipient of a 5-Star rating in Hip Fracture Treatment from Healthgrades, as well as a 5-Star rating in Total Knee Replacement surgeries for the 5th consecutive year. GRMC’s board-certified orthopedic surgeons, Jack Deetjen, M.D., Trent Twitero, M.D., and G. Steven White, M.D., have more than 75 years of combined surgical experience performing thousands of bone, joint and muscle-related surgeries. GRMC also received 5-Star recognition for the third year in a row for appendectomies performed.

“At GRMC we are continuously striving to achieve clinical excellence,” says GRMC’s Executive Director of Quality Rhonda Unruh. “The Healthgrades awards are evidence of the efforts our dedicated medical staff and clinical teams make every day to ensure the very best, quality outcomes for the patients who trust us with their care.”

The Healthgrades 2018 report demonstrates how clinical performance continues to differ dramatically between hospitals regionally and nationally. This variation in care has a significant impact on health outcomes. For example, from 2014-2016, if all hospitals as a group, performed similarly to hospitals receiving 5 stars as a group, on average 219,568 lives could potentially have been saved and 164,454 complications could potentially have been avoided.** A 5-star rating indicates that GRMC’s clinical outcomes are statistically significantly better than expected when treating the condition or performing the procedure being evaluated.

“In an environment where consumers have more choices about where to receive their care, a hospital’s commitment to achieving high-quality outcomes is fundamental,” said Brad Bowman, MD, Chief Medical Officer, Healthgrades. “Because consumers place such value on this information, hospitals that achieve five stars for Total Knee Replacement, Hip Fracture Treatment, and Appendectomy stand out in their marketplace.”

*For its analysis, Healthgrades evaluated approximately 45 million Medicare inpatient records for nearly 4,500 short-term acute care hospitals nationwide to assess hospital performance in 32 common conditions and procedures, and evaluate outcomes in appendectomy and bariatric surgery using all-payer data provided by 17 states. Healthgrades recognizes a hospital’s quality achievements for cohort-specific performance, specialty area performance, and overall clinical quality. Individual procedure or condition cohorts are designated as 5-star (statistically significantly better than expected), 3-star (not statistically different from expected) and 1-star (statistically significantly worse than expected) categories. The complete ***Healthgrades 2018 Report to the Nation*** and detailed study methodology, can be found at www.healthgrades.com/quality.

Public Open Forum on Death Related Topics:

It's difficult to talk about death or dying, but we all will need to do it at some point in our lives. We need to feel the freedom to talk to others about our questions, our concerns, our experiences, and learn from each other.

Question of the Month:

Is embalming required by law in the state of Texas?

Answer:

No, embalming is not required by law in the state of Texas; although it may be suggested depending on the type of funeral service you select. If a family selects funeral services such as, Direct Cremation or Immediate Burial, it does not require embalming.

We encourage you to ask us those questions that may be weighing over your heads; and you may submit your questions to the following:
