Volunteering ... Why do you volunteer or why do you choose not to? It has been proven "volunteering" has many social and psychological advantages. The top reasons:

1. Gaining Experiences and Insights
2. Giving back and helping others
3. Creating connections with people
4. A sense of accomplishment

Do not be timid. Try it. Call or come into the Center and make this request known. There is always "time" to give to others.

Our fantastic volunteers donated a whopping 748.5 hours for the month of October!

WELLMED will be sponsoring another BINGO opportunity on Friday, December 20 at 1:00 pm. REMEMBER: WELLMED BINGO is every 3rd Friday through December. Come join us for an afternoon of fun and bring a friend!

Our Friday Night Dances are really a lot of fun and a wonderful opportunity to mingle with friends and dance the night away. The bands are top notch, so if you don't care to dance, just come to listen to the music.
PLEASE NOTE: The doors open at 6:30 pm. BYOB is no longer permitted due to insurance exclusions.

STAY ACTIVE WITH TAI CHI

Many older adults are looking for a gentle, low-impact exercise program that helps them stay active and improves muscle strength, flexibility and balance. TAI CHI fits the bill!

The benefits include, but are not limited to, helping with arthritis pain, reducing blood pressure, reducing stress and depression, and helping reduce bone loss in menopausal women. Tai Chi is a phenomenal exercise, and it all started with the ancient Chinese!

Join us at the Silver Center on Mondays at 9:00 am. It is only \$1.00 per class.

SIGNS OF OLD AGE

1. Customer says to the clerk, "That's really a sparkling smile you've got there." Clerk replies, "Yes, I put my teeth through the dishwasher this morning."
2. Older gentleman standing at the foot of the stairs --- "Now was I going upstairs or just coming down?"
3. "Hold on! If I've got a suppository in my ear, where in the hell is my hearing aid?"
4. Husband walks in the door wearing his jogging suit and says to his wife, "I've joined the Ramblers." She asks, "Is that walking or talking?"
5. Wife comes home from her hospital visit, her breast as flat as a pancake. Husband asks, "Did you have your Mammogram today?" "Yes," she replied. "Why do you ask?"

Stan asked Jan, "I heard you went to the costume party dressed as a tennis ball. How did that go?" Jan replied, "I was the first one to get served."

HOW TRUE

"You never go wrong when you take the high road. It's less crowded up there."

"The things you get fired for when you are young are the same things you get Lifetime Achievements for when you are old."

"I have nothing to hide, but I'm not telling it. I'm still old-fashioned. I still find I like to keep my privacy."

QUICK THINKING

A man was stopped by the Game Warden in East Texas recently with two buckets of fish, as he was leaving a lake that was well-known for its fishing. The game warden asked him, "Do you have a license to catch those fish?" The man replied, "No sir, these are my pet fish." "Pet fish?" the warden asked, puzzled. "Yes sir. Every night I take these here fish down to the lake and let them swim around for a while. I whistle, and they jump back into their buckets, and I take them home," said the man. "That's a bunch of hooey! Fish can't do that!" the game warden said. The man looked at the game warden for a moment and said, "Here, I'll show you. It really works!" "O.K. I've got to see this!" the Game Warden laughed. The Game Warden was curious now. The man poured the fish into the lake and waited. After several minutes, the Game Warden turned to the man and said, "Well?" "Well what?" responded the man. "When are you going to call them back?" asked the Game Warden. "Call who back?" asked the man. "The fish," replied the warden. "What fish?" asked the man.

ILLEGALLY PARKED

A driver tucked this note under the windshield wiper of his automobile. "I've circled this block for 20 minutes. I'm late for an appointment, and if I don't park here I'll lose my job! Forgive us our trespasses." When he came back, he found a parking ticket and a note: "I've circled this the block for 20 years, and if I don't give you a ticket, I'll lose my job. Lead us not into temptation."

TWO THUMBS UP

My mother and I were walking down the street when a man stopped us and asked us to do a survey. He asked, "Do you think there is too much sex in the movies these days?" "I'm not sure," replied my mother. "I get too wrapped up in the film to notice what the rest of the audience is doing."

What is QCD?

QCD stands for Qualified Charitable Distribution and was made a permanent tax provision in January 2016. IRA owners who are over 70 ½ have the ability to give their Required Minimum Distribution or up to \$100,000 to a qualified charity and pay no income tax on the distribution.

A QCD is a direct transfer of funds from your IRA custodian, payable to a qualified charity. In addition to the benefits of giving to charity, a QCD excludes the amount donated from taxable income, which is unlike regular withdrawals from an IRA.

Normally, when you take money out of your IRA it is a taxable event. The withdrawal adds to your taxable income, inflates your adjusted gross income (AGI) and may impact how much of your Social Security is taxable. Since charitable gifts are no longer an advantage to most donors, the QCD can benefit the donor by reducing their AGI.

You must keep track of QCDs and provide the needed information to your tax preparer. A letter from the charity qualifies as the necessary information.

If you have an IRA and still need to take your Required Minimum Distribution for 2019, please consider making a donation as a Qualified Charitable Distribution to The Silver Center. As always, please consult your tax professional or financial advisor to make sure this is right for you. Deadline for a QCD is December 31.

Festival of Lights

The Festival of Lights at the Silver Center, begins in late November. Monday through Friday during center hours you can stroll through the beautiful Christmas Trees decorated by local businesses, organizations, and individuals. We will have a special two night showing on December 16 & 17 from 5:30PM to 7:00 PM. The showing is free and open to the public. Come and enjoy hot chocolate, wassail, and Christmas cookies while strolling through the winter wonderland. And don't forget to tell Santa what you want for Christmas this year! He will be ready to take pictures with you those two evenings.

There will be an ongoing Silent Auction to purchase decorated Christmas trees. The auction will end December 18 when you can either pick up your tree or we will donate it to a needy senior citizen who needs some sparkle in their lives.

Come bid on a tree to own, or to donate to another person or organization. Trees can be picked up at the Silver Center or if the tree is being donated to a senior in need, we will deliver within 10 miles of the center free of charge. If you want to volunteer, donate a fully decorated Christmas tree, get on the list to have first opportunity to purchase a tree,

What is Advanced Care Planning?

This is a process of coming to understand, reflect on, discuss and plan for a time when you cannot make your own medical decisions. Discussing and planning for patient's preferences for life sustaining treatment in the future.

What is involved in the planning process?

Talking with family and health care providers about your care decisions and formally documenting them is very important. Legal documents discuss the type of care you want, where care happens, and who provides it so your family knows your choices and understand who you want to speak for you when you can't speak for yourself.

Care decisions can be about:

- Choosing or refusing tests, procedures and medicines, and life-sustaining treatments.
- Choosing persons to speak for you when you are unable to speak for yourself.
- Completing the necessary legal documents that will guide health care professionals in the future.

Where and by whom is this service provided?

We believe the best time and place to have this conversation is before a health crisis occurs; over the kitchen table instead of over an ICU bed. We can see you at home, at your Assisted Living home, or your Nursing home, and sometimes in the hospital.

Our teams of Advance Care Planning Facilitators are specially trained to guide this conversation and to complete the necessary legal documents. We will provide all advance directives and this service is at no cost to you.

To arrange a consultation with an Advanced Care Facilitator please call: 830.401.7704.
