## President's Corner...

Auld Lang Syne and Happy New Year to each and every one of you as we ring in 2019 and reflect on 2018. In 2018 the Silver Center had a huge year! It started off with our New Year's eve party. January, which had normally been a slower month had a steady stream of events and in February we had a fun Mardi Gras themed Valentine's Day dance and party. March brought the one-year anniversary of Glenda joining as our Executive Director, as well as the center gaining Pam Davis, the volunteer coordinator turned assistant director and decorator extraordinaire. April brought in the Guadalupe County A&M club for muster. May brought many graduation and wedding celebrations. June was all hands on deck for our largest outside event and fundraiser "Taste of Seguin" at the Colosseum. July and August brought a slew of summer activities and health fair. June we began hosting the monthly Seguin Chamber of Commerce luncheons each month. October we held a fun masquerade Halloween dance. November we hosted the first annual Thanksgiving Day community meal with Hulk Construction That served 300 people. And December was a another very busy month with our Holiday raffle and numerous holiday parties including our holiday open house and festival of lights with Santa and his little elf.

All of these highlights do not include the daily lunches, weekly meetings and dances and monthly activities like the Silver Opry and weekly Friday night dances. On any given day we have between 10 to 24 volunteers helping out in some aspect of events that happen at the Silver Center. We know that the Silver Center success could not happen without each and every one of you volunteers and we thank you so much for helping us have another successful year.

As the board and staff look forward to 2019's activities being even better than previous years, we want to invite everyone to come out and see these events, have lunch, join in some classes, and game nights that we have going on at the center. The staff does such an amazing job to keep the center full of fun activities for everyone to enjoy. Don't forget Monday - Friday delicious lunches!

I hope 2019 brings you health, happiness, and all of your goals come true!

Sincerely,  
Denise Kopecki, BC-HIS  
President

## **Hello From the Front Office!**

This year has been a whirl-wind for us here at the center. New staff and new goals and new menus. I can only say it has been a joy to get to know more of you and to be able to connect with you on many levels. This job is more than a job. It's all about people. Your needs, your wants, and your expectations. I want you to know even in our busiest times that we want to know what you're thinking or needing from us.

I hope you enjoyed our Christmas Festival of Trees and visited with Santa. One of our board members was a very gracious SANTA this year. Thank you Mark Harshman! Another one of our board members, Jay Eric Pfanstiel, starred in our Country Christmas Opry with Gabe Galvan, & Bill Davis. If you don't know our board members we will be starting to use a portion of our newsletter every month that will help you get to know them better! It's a pretty thankless job. I appreciate the time that the board members give us.

I truly hope you are enjoying our daily meal services and our catering as well. If you would like to see something new on our menu, please let me know. Cooking is no fun unless someone enjoys it! Our food costs have gone up in the past 2 years. With that in mind, we are probably going to either add tax to the meal (that we are currently paying for you) or go up slightly in our lunch price. I will send out more in the days ahead after we sit down and quietly figure out how to keep making delicious food on a budget.

I hope to see you at our January Opry on the 17th when we host Carol Cochran & Priscilla Speed for our show. Come on out and BRING A FRIEND!

I pray that God Blesses you and your family in the New Year. Come by for a visit.

Glenda Layton  
Executive Director

## STAY ACTIVE WITH TAI CHI

Many older adults are looking for a gentle, low-impact exercise program that helps them stay active and improves muscle strength, flexibility and balance. TAI CHI fits the bill!

The benefits include, but are not limited to, helping with arthritis pain, reducing blood pressure, reducing stress and depression, and helping reduce bone loss in menopausal women. Tai Chi is a phenomenal exercise, and it all started with the ancient Chinese!

Join us at the Silver Center on Mondays at 9:00 am. It is only \$1.00 per class.

Our Friday Night Dances are really a lot of fun and a wonderful opportunity to mingle with friends and dance the night away. The bands are top notch, so if you don't care to dance, just come to listen to the music.  
**PLEASE NOTE:** The doors open at 6:30 pm. BYOB is no longer permitted due to insurance exclusions.

## **A POEM TO CHILL THE SOUL!**

Did you ever go to bed at night and crawl beneath the sheet to have your slumber ruined by a pair of icy feet? There's many a poor husband who groans in deep despair, when he finds beneath the covers, lies a two-foot Frigidaire.

What is the use of counting sheep, it's just a waste of breath. Those poor defenseless animals would simply freezes to death!

It's bad enough to try to rest, where heated comforts lack, but, oh the shivering torture of a chilled foot in one's back.

No male on earth can rise at morn with spirits gay and bright, when he has been thus imprisoned in cold storage all the night.

The Little wife who shares his bed may have a heart of gold, but why did nature spoil the job with feet so bitter cold?

There's far more frigid temperature in a woman's single toe, than there is in Arctic Circles where it's 45 below.

Why don't some brilliant scientist invent an antifreeze to bring the circulation back below milady's knees.

Still, there's one consolation, if you'd check upon it men, be glad your spouse has but two feet, instead of nine or ten.

## **IN ORBIT**

Did you hear that NASA recently put a bunch of Holsteins into low earth orbit? They called it the herd shot around the world.

## **TWO BOLL WEEVILS**

Two boll weevils grew up in South Carolina. One went to Hollywood and became actor. The other stayed behind in the cotton fields and never amounted to much. The second one, naturally became the lesser of two weevils.

## **3 LEGGED DOG**

A three legged dog walks into a saloon in the Old West. He slides up to the bar and announces: "I'm looking for the man who shot my paw."

## **CHESS EXPERTS**

A group of enthusiasts checked into a hotel and were standing in the lobby discussing their recent tournament victories. After about an hour, the manager came out of the office and asked them to disperse.

"But why," they asked, as they moved off. "Because," he said, "I can't stand chess nuts boasting an open foyer."

## **TWINS**

A woman has twins and gives them up for adoption. One of them goes to a family in Egypt and is named "AMAL". The other goes to a family in Spain. They named him "JUAN". Years later, Juan sends a picture of himself to his birth mother. Upon receiving the picture, she tells her husband, who wishes she also had a picture of AMAL. Her Husband responds, "They're twins! If you've seen JUAN you've seen AMAL."

## What is Advanced Care Planning?

This is a process of coming to understand, reflect on, discuss and plan for a time when you cannot make your own medical decisions. Discussing and planning for patient's preferences for life sustaining treatment in the future.

## What is involved in the planning process?

Talking with family and health care providers about your care decisions and formally documenting them is very important. Legal documents discuss the type of care you want, where care happens, and who provides it so your family knows your choices and understand who you want to speak for you when you can't speak for yourself.

## Care decisions can be about:

- Choosing or refusing tests, procedures and medicines, and life-sustaining treatments.
- Choosing persons to speak for you when you are unable to speak for yourself.
- Completing the necessary legal documents that will guide health care professionals in the future.

## Where and by whom is this service provided?

We believe the best time and place to have this conversation is before a health crisis occurs; over the kitchen table instead of over an ICU bed. We can see you at home, at your Assisted Living home, or your Nursing home, and sometimes in the hospital.

Our teams of Advance Care Planning Facilitators are specially trained to guide this conversation and to complete the necessary legal documents. We will provide all advance directives and this service is at no cost to you.

To arrange a consultation with an Advanced Care Facilitator please call: 830.401.7704.
