This year's Taste of Seguin was a real show stopper! The food was outstanding and the decorations were truly fun!

I have to take a moment to simply say THANK YOU to everyone that worked so hard to make this all come together. Without our UNBELIEVABLE STAFF we could not get events like this done. THANK YOU to our dedicated and wonderful staff... you are the best of the best! Some of our board members threw themselves deep into the planning, and collecting of some truly great auction items, and they also worked very hard to make this a successful event. Again, I have to say THANK YOU! I couldn't have gotten through the last month without all of your support. The hours have been long... but the center needs this sort of event to provide us with the necessary funds for our center to keep doing what we can for our members and our community and surrounding counties. I look forward to fun in July celebrating our GREAT NATION'S INDEPENDENCE. God, please Bless America and its leaders!

I HOPE YOU ALL HAVE A SAFE AND HAPPY HOLIDAY!

Please note that the **Center will be CLOSED ON Thursday, July 4th** but we will be back on the 5th for our Friday shrimp or fish lunch... and we have planned a great dance that evening featuring *Tom Teboe and The River City Ramblers*.

Yours truly,

Glenda (The Good Witch)

We will be closed Thursday, July 4th

Maya Angelou, a respected author and poet, once said, "I've learned that you shouldn't go through life with a catcher's mitt on both hands. You need to be able to throw something back." You might ask, "How can I do this?" Well, you can volunteer at the Silver Center, for one! Our spectacular volunteers donated 573.5 hours of their time for the month of May! These special people keep our center going and throw something back for our senior community! If you have some time on your hands and you want to try something different, call Pam Davis, our Volunteer Coordinator, at 303-6612. She will set you up with the perfect task!

WELLMED will be sponsoring another BINGO opportunity on July 19 at 1:00 pm. REMEMBER: WELLMED BINGO is every 3rd Friday through December. Come join us for an afternoon of fun and bring a friend!

Our Friday Night Dances are really a lot of fun and a wonderful opportunity to mingle with friends and dance the night away. The bands are top notch, so if you don't care to dance, just come to listen to the music.

PLEASE NOTE: The doors open at 6:30 pm. BYOB is no longer permitted due to insurance exclusions.

STAY ACTIVE WITH TAI CHI

Many older adults are looking for a gentle, low-impact exercise program that helps them stay active and improves muscle strength, flexibility and balance. TAI CHI fits the bill!

The benefits include, but are not limited to, helping with arthritis pain, reducing blood pressure, reducing stress and depression, and helping reduce bone loss in menopausal women. Tai Chi is a phenomenal exercise, and it all started with the ancient Chinese!

Join us at the Silver Center on Mondays at 9:00 am. It is only \$1.00 per class.

DEFINITION OF OLD

- 1) I very quietly confided to my best friend that I was having an affair. She turned to me and asked, "Are you having it catered?" And that, my friend is the definition of "OLD."
- 2) Just before the funeral services, the undertaker came up to the very elderly Widow and asked, "How old was your husband?" "98," she replied. "Two years older than me." "So, you're 96," the undertaker commented. She responded, "Hardly worth going home, is it?"
3. Reporter interviewing a 104 year old woman: "And what do you think is the Best thing about being 104?" She simply replied, "No peer pressure."
4. I've sure gotten old! I've outlived my feet and my teeth. I've had two by-pass surgeries, a hip replacement, new knees, fought prostate cancer, and diabetes, and I'm half blind. Can't hear anything quieter than a jet engine, take 40 different medications that make me dizzy, winded, and subject to black-outs. I have bouts with dementia and poor circulation; hardly feel my hands and my feet anymore. Can't remember if I am 85 or 92. Have lost all my friends, but thank God, I still have my driver's license.
5. I feel like my body has gotten totally out of shape, so I got my doctor's permission to join a fitness club and start exercising. I decided to take an Aerobics class for seniors. I bent and twisted, gyrated, jumped up and down and perspired for an hour, but by the time I got my leotards on, the class was over!
6. An elderly woman decided to prepare her Will and told the preacher she had two final requests. First, she wanted to be cremated and 2nd, she wanted her ashes scattered over Wal Mart. "Wal Mart?" the preacher exclaimed. "Why Wal Mart?" The woman replied, "Then I will be sure my daughters visit me twice a week."
7. My memory's not as sharp as it used to be AND my memory's not as sharp as it used to be!
8. Know how to prevent sagging skin? Just eat till the wrinkles fill out!
9. It's scary when you start making the same noises as your coffee maker.
10. These days about 1/2 the stuff in my grocery cart says, "FOR FAST RELIEF!"
11. The Senility Prayer: Grant me the senility to forget the people I never liked anyway, and the good fortune to run into the ones I do like, and the eyesight to tell the difference.

THREE NEW DOGS

Mr. Jones had acquired 3 new dogs. He couldn't decide what to name them. So he said, "I'll just name them according to their habits." The first one was constantly digging in the yard, so he named him "Digger". The second dog was constantly barking, so he named him "Yapper". Number 3 was named "Liberace" because he was a pianist.

What is Advanced Care Planning?

This is a process of coming to understand, reflect on, discuss and plan for a time when you cannot make your own medical decisions. Discussing and planning for patient's preferences for life sustaining treatment in the future.

What is involved in the planning process?

Talking with family and health care providers about your care decisions and formally documenting them is very important. Legal documents discuss the type of care you want, where care happens, and who provides it so your family knows your choices and understand who you want to speak for you when you can't speak for yourself.

Care decisions can be about:

- Choosing or refusing tests, procedures and medicines, and life-sustaining treatments.
- Choosing persons to speak for you when you are unable to speak for yourself.
- Completing the necessary legal documents that will guide health care professionals in the future.

Where and by whom is this service provided?

We believe the best time and place to have this conversation is before a health crisis occurs; over the kitchen table instead of over an ICU bed. We can see you at home, at your Assisted Living home, or your Nursing home, and sometimes in the hospital.

Our teams of Advance Care Planning Facilitators are specially trained to guide this conversation and to complete the necessary legal documents. We will provide all advance directives and this service is at no cost to you.

To arrange a consultation with an Advanced Care Facilitator please call: 830.401.7704.
