Hello From the Front Desk

Happy JUNE! I can't believe it's already here... You **KNOW** what I have to talk about, right? **TASTE OF SEGUIN** is consuming all of our time right now. It's going to be **FABULOUS** on June 25th! The center will start its transformation throughout the month when we will become the Land of OZ! Our theme this year is "There's No Place Like Home!" We are bringing 'home' the Taste of Seguin to our beloved Silver Center. We will have themed characters greeting our guests and working our event. You will find the Good Witch, Glenda (ME), the Wicked Witch of the West (PAM), Dorothy (DOROTHY), the Cowardly Lion (JW), the Wizard (BILL DAVIS) and the Scarecrow (YANCEY) as well as a munchkin (DOREEN) and many more!!!! You owe it to yourself to just come **SEE IT!** Oh, I almost forgot **WHY** we will be here... There will be live music and fabulous tasty treats from all kinds of food establishments and caterers throughout a 3 county area and delicious fun beverages for a great night of donating to the Silver Center. That evening the best of the best will be honored by **YOUR VOTE** on which food item you felt was a winner! There will also be celebrity judges casting their votes, too. Fun, huh? Well, let me tell you about some items you can win via several methods that evening. How about **JEWELRY**? Real jewelry! Emeralds, Dark London Blue Topaz, Black Spinel, Tahitian Pearls, Lapis, Tourmaline, Aquamarine, and Turquoise... How about Hunting Trips? Guided Hog hunts. Dove hunts. A chance at winning a 9mm pistol and classes on how to handle a concealed weapon correctly. How about winning Food for your home? We have a large Honey Baked ham, a Smokehouse brisket, several links of venison sausage, and a Kielbasa sausage sample pack to name just a few. We also have over \$350 worth of dining gift cards to give away! Do you like good wine? We will have a way you can win a great bottle of wine, or two, or three. We will even have a live auction for some more spectacular items!!! I hope you can be there and please bring your checkbook with you! The Taste of Seguin is our biggest fund raiser of the year! Dig deep into those pockets and come have some fun!

Opry this month will find Bill Davis, Buddy Roy, and Jay Eric Pfannstiel on stage Thursday, June 20th at 7 PM. You cannot beat the show that you will see that evening. It's always fun and we need you here! Our Opry is a little gem of an evening, full of classic country music and great people to visit with.

We already have several events planned on Saturday evenings in June, but if you need a beautiful venue for a party or wedding, please give us a call and let us make your event one to remember at the Silver Center! If you haven't been in Sagabiel Hall lately, you need to come see the new chandeliers. I need to send out a big thank you to Bill Davis for all of his hours spent searching for them and then his time spent putting them together and hanging them. They are beautiful, Bill! Thank you for your continued dedication to our center.

Guadalupe Regional Medical Center Achieves Healthgrades 2019 Outstanding Patient Experience Award™

Guadalupe Regional Medical Center among the top 10 percent of U.S. hospitals for patient experience.

Seguin, Texas (May 14, 2019) – Guadalupe Regional Medical Center announced that it achieved the Healthgrades 2019 Outstanding Patient Experience Award™. This distinction recognizes Guadalupe Regional Medical Center as being among the **top 10 percent of hospitals nationwide for patient experience**, according to Healthgrades, the leading online resource for information about physicians and hospitals.

Healthgrades evaluated 3,449 hospitals that submitted at least 100 patient experience surveys to the Centers for Medicare and Medicaid Services (CMS), covering admissions from January 2017 through December 2017, to identify hospital performance. Of those hospitals evaluated, 434 hospitals outperformed their peers—based on their patients’ responses—to achieve this distinction.

“Receiving this national recognition from Healthgrades for the second year in a row confirms our testament to the high standard of care provided to patients every day by the staff at GRMC and to our dedication in providing high-quality, safe care to every life we are privileged to touch”, said Robert Haynes, CEO of Guadalupe Regional Medical Center.

Healthgrades evaluated hospital performance by applying a scoring methodology to 9 patient experience measures, using data collected from a 32-question experience survey from the hospital’s own patients. The survey questions focus on patients’ perspectives of their care in the hospital. The topics of these questions ranged from cleanliness and noise levels in patient rooms to physician and nurse communication. The measures also include whether a patient would recommend the hospital to friends or family.

“These awards are driven directly by patients’ feedback, giving them a voice in helping to improve the hospital experience while also helping other consumers make more informed healthcare decisions,” said Brad Bowman, MD, Chief Medical Officer, Healthgrades. “We’re proud to recognize the hospitals around the country that receive the Outstanding Patient Experience Award for their commitment to providing exceptional patient experiences and always striving to put the patient first.”

An old woman walked up and tied her old mule to the hitching post. As she stood there brushing some dust from her face and clothes, a young gunslinger stepped out of the saloon... a gun in one hand and a whiskey bottle in the other. The young gunslinger looked at the old lady and laughed, “Hey old woman, have you ever danced?”

The old woman looked up at the gunslinger and said, “No. I never did dance. Never really wanted to.”

A crowd had gathered around as the gunslinger grinned and said, “Well you old bag, you’re ‘gonna dance now!” as he started shooting at the old woman’s feet.

The old woman prospector, not wanting to get her toes blown off, started hopping around. Everybody was laughing. When his last bullet had been fired, the young gunslinger, still laughing, holstered his gun and turned to go back into the saloon.

The old woman turned to her mule, pulled out a double barrel shotgun, and cocked back both hammers.

The loud clicks carried clearly through the dessert air... and the crowd stopped laughing immediately. The young gunslinger heard the sounds too and he turned around very slowly. The silence was almost deafening. The crowd watched as the young gunman stared at the old woman and the gaping holes of those twin barrels.

The barrels of the gun never wavered in the old woman’s hands as she quietly said, “Son, have you ever kissed a mule’s ass?”

The gunslinger swallowed hard and said, “No ma’am... but I’ve always wanted to.”

FIVE LIFE LESSONS LEARNED FROM THE STORY:

- 1) Don’t be arrogant.
- 2) Don’t waste ammunition.
- 3) Whiskey makes you think you’re smarter than you are.
- 4) Always make sure you know who has the power.
- 5) DON’T MESS WITH OLD PEOPLE; THEY DIDN’T GET OLD BY BEING STUPID!

What is Advanced Care Planning?

This is a process of coming to understand, reflect on, discuss and plan for a time when you cannot make your own medical decisions. Discussing and planning for patient's preferences for life sustaining treatment in the future.

What is involved in the planning process?

Talking with family and health care providers about your care decisions and formally documenting them is very important. Legal documents discuss the type of care you want, where care happens, and who provides it so your family knows your choices and understand who you want to speak for you when you can't speak for yourself.

Care decisions can be about:

- Choosing or refusing tests, procedures and medicines, and life-sustaining treatments.
- Choosing persons to speak for you when you are unable to speak for yourself.
- Completing the necessary legal documents that will guide health care professionals in the future.

Where and by whom is this service provided?

We believe the best time and place to have this conversation is before a health crisis occurs; over the kitchen table instead of over an ICU bed. We can see you at home, at your Assisted Living home, or your Nursing home, and sometimes in the hospital.

Our teams of Advance Care Planning Facilitators are specially trained to guide this conversation and to complete the necessary legal documents. We will provide all advance directives and this service is at no cost to you.

To arrange a consultation with an Advanced Care Facilitator please call: 830.401.7704.
