What a month it has been! Our great nation's election results are in. Please continue to pray for our great country and its leaders during the transition of power. Thanksgiving meals, worship and November family fun are behind us...Christmas shopping and planning, right in front of us!

It's a crazy and busy time for most people this time of year. Please take a moment and reach out to someone you know that may be alone or sad. The holidays are tough for many people who could use a friendly smile or a warm and genuine phone call. You might be just the thing they need to brighten their day, week, or month!

Here we are on the cusp of New Year's Eve! I hope you plan to join us for a fun celebration December 31st, right here at the Silver Center. We will have champagne and tamales and black-eyed peas (for good luck, you know) and all of the fun noise that goes along with a great New Year's Eve bash!

I hope you have a safe and BLESSED Christmas with family and friends. I appreciate each and every one of you and pray for your health and security in 2017.

May God Bless you every one!

Glenda Layton

*Merry Christmas  
and  
Happy New Year!*

***The Silver Center & Thrift Store will be CLOSED  
December 23 - December 31  
for Christmas. The Center will reopen on  
Monday, January 2, 2017. The Thrift Store will reopen Friday,  
January 6th.***

## **Kim's Note and Quotes**

**December 2016**

Hello, Silver Center readers! December is here, and I hope this finds you all with Holiday Cheer and uplifted spirits. After all, this is the most wonderful time of year. Our old favorites seem to always trigger wonderful memories of Christmas past.

I look forward to the new memories that my family will be making here in Seguin this Christmas. We won't be traveling back home this Christmas for the first time in the 4 Christmases that we have been here. It is bitter sweet not being able to see most of our family and the winter snow. I do look forward to having Christmas with our granddaughter, Khloe, here at home. For all of you that are familiar with the iPhones, Khloe keeps asking Siri (my phone) how many days until Christmas. It's wonderful watching the excitement in a child's eyes. Their faces light up and most of all, the wonderful hugs you receive just because. This will be a very special Christmas indeed!

The 2016 Holiday Raffle will be drawn in just a few short days, on December 6th. Thank you all for participating and for all your support. Good Luck!

Once again, the Silver Center will be closed from Christmas through New Year's Day, beginning December 23rd and reopening on January 2nd. I would like to give special recognition to our staff. Yancy, Nagely, Michelle and Laverne. They go on and above here at the Silver Center. They are also a great part of our success at the center and are very deserving of this time to be with family. Thank you all for all you do!

Many thanks for a great 2016 to you, our members for your participation, contributions, and for volunteering those many hours of your time. We can only be as successful as we are when many hands come together.

As we celebrate this Christmas Season, let us remember it is better to give than to receive, to be patient and kind, and that it's not the gifts we give or get, but our quality time together that counts most. I hope that you can all be with family and home for the holidays, but if not, remember home is where the heart is. I wish you all lots of love, happiness and many blessings in the 2017 New Year.

Merry Christmas and a very Happy New Year!

Silver Center Executive Director,  
Kim Manley

### **PAST PRESIDENT**

The Silver Center had a wonderful surprise on Friday, November 18th. The very first president of the Silver Center came in for lunch right after the doors opened! How great is that? Mr. Harold D. Tschirhart, a WWII veteran, was the president from 1993 through 1995. He remembers the mayor at the time, asked him to be the President of the new venture for senior citizens. Being a proactive community leader, he jumped on the opportunity. Of course, it was going to take some work though. First off, they needed money! He made several trips to Washington to ask for federal funds for the Silver Center and then Mr. H. E. Butt graciously donated \$50.00 to help with the cause. In those days, \$50.00 was a lot of money and would go a long way in helping raise funds for the center. Next, they needed a building. The building they are now in was a grocery store

and H.E. Butt was selling. Again, Mr. Tschirhart saw an open door and jumped on it! The Silver Center, as we know it today, opened 2 years to the day after he was asked to be president.

Mr. Tschirhart, who lives in Lake McQueeney, has been the owner of Lake McQueeney Estates for 40 years. He was born and raised in San Antonio, Texas. He earned a degree in Agriculture from Texas A&M. He bought a 100 acre farm from Henry Weyl, which did not have any water at the time. So, Mr. Tschirhart started Green Valley Water Corporation, so he could get water on the land. He became the president of this corporation for several years. When, a few years later, 300 acres went up for sale across the street from his 100 acre farm, he purchased that land. He later sold it to his sister and they developed Harvest Hills, the biggest subdivision in Guadalupe County. Harvest Hills is located on Weyl Road and Marion Road, which is considered Marion.

Mr. Tschirhart taught school in Marion and was head of the Science Department where he taught chemistry and physics. As it is easy to see, Mr. Tschirhart has lived a very busy, productive life and he isn't through yet! He is the most energetic, interesting 90 year old I have ever met. He is still quite involved with the Seguin, Marion and McQueeney scene!

## STAY ACTIVE WITH TAI CHI

Many older adults are looking for a gentle, low-impact exercise program that helps them stay active and improves muscle strength, flexibility and balance. TAI CHI fits the bill!

The benefits include, but are not limited to, helping with arthritis pain, reducing blood pressure, reducing stress and depression, and helping reduce bone loss in menopausal women. Tai Chi is a phenomenal exercise, and it all started with the ancient Chinese!

Join us at the Silver Center on Mondays at 9:00 am. It is only \$1.00 per class. Hope to see you there.

Our December Silver Star is Grace Mugrage and although she has only been at the Silver Center for less than a year, this is a very busy volunteer indeed! She works five days a week. Her jobs include, but are not limited to the following: She rolls silverware, answers the phone, serves lunch, sets up and works most of the special events at the Silver Center. As you can see, she is no slouch! She loves the Silver Center because of its social life and the people who come here. It gives her something to look forward to every morning when she wakes up!

Grace was born in Port Nueches, Texas, but was raised in Barman, Texas. She met her husband on a seismograph boat where she was a cook for 5 years. When she married her husband, she quit her job. She was married for 18 years. Her husband died on December 13, 2013. She has 5 children, all who live within a 3 hour drive from Seguin. She has 15 grandchildren and 12 great-grandchildren, so her family reunions can be quite large!

Ms. Mugrage loves to dance! She comes to the Friday night dances at the Silver Center, not only to meet new and interesting people, but to dance the night away. Her other hobbies include reading, which she absolutely loves to do, and her plants. From what I understand, she has quite a few leafy friends she takes care of daily! When Grace was a little younger, she enjoyed sailing very much.

Two activities she has always wanted to learn is skydiving and snorkeling. Readers, you can already see that this lady likes to take risks! Please drop by the Silver Center and meet our December Silver Star. She is fun and interesting. Of course, you may have to run to catch up with her, but she will be worth the chase!

## Goetz Funeral Home Guadalupe Valley Memorial Park

### Public Open Forum on Death Related Topics:

It's difficult to talk about death or dying, but we all will need to do it at some point in our lives. We need to feel the freedom to talk to others about our questions, our concerns, our experiences, and learn from each other.

Question asked by Marie Romo:

When we make funeral arrangements at a funeral home for cremation services, do we have to purchase an Urn from you or can we buy one elsewhere?

Answer:

You are not required to purchase an Urn from any funeral home. The Texas Laws enforced by the Texas Funeral Service Commission indicates that a consumer has the right to purchase funeral merchandise from any vendor. The funeral home is obligated to abide by such laws. I thank you for your inquiry. If I can be of further assistance, please contact me.

We encourage you to ask us those questions that may be weighing over your heads; and you may submit your questions to the following:

***"How Nitric Oxide Can Prevent ~ even Reverse ~ Heart Disease and Strokes"*** Nobel Prize in Medicine Laureate Dr. Louis J. Ignarro

The molecule Nitric Oxide, or NO, is a powerful substance that can actually protect you from heart attack and stroke. Best of all, your body can make it on its own. NO is your body's own built-in, natural protection against heart disease. This is how one doctor has drastically reduced the occurrence of heart attack or stroke in his diabetic population.

Published clinical studies have proven scientifically that Nitric Oxide created by the Amino Acid L-Arginine will inhibit and dissolve plaque, reversing Atherosclerosis, Arteriosclerosis, Coronary Artery Disease, Heart Attack, Stroke, and Peripheral Artery Disease.
