## LETTER FROM THE PRESIDENT:

Well, another month has come and gone. I would like to say thank you to all our members, volunteers, and Board members for all your hard work. In the up and coming month of March, we have many activities for everyone to attend here at the Silver Center.

As we continue to grow, the Silver Center is always in need of volunteers.

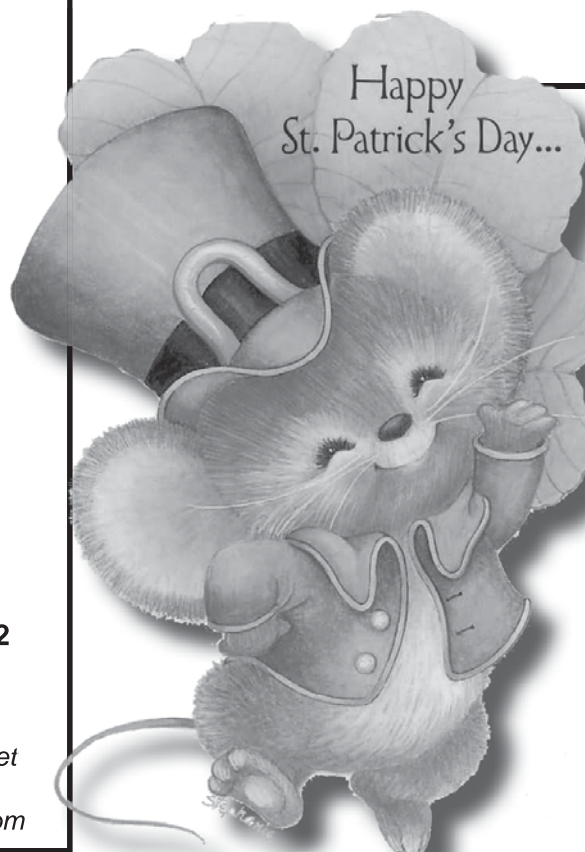

"Give and it will be given to you. A good measure, pressed down, shaken together, and running over, will be poured into your lap. For with the measure you use, it will be measured to you." Luke 6:38

We all here at the Silver Center look forward to seeing all of you real soon. May God clear your path for better days and safe travels!

Thank you,  
Danny Gonzales  
Board President

**"Dear Children, let us not love with words or  
speech but with actions and in truth."**

**I John 3:18**

Well  
Hello  
Spring

## HELLO FROM THE FRONT DESK....

February was a busy month beginning with a fun vacation and then everything it takes to get back up to date when I got home!

One of the most important items on my to-do list was getting a few good people to help fill out our Board of Directors list. I am so proud to announce that we have 3 new board members! Please welcome Laverne Roskydal, Sandy Stoneking, and Cecilia Trinidad to our board! These new board members come to us with a huge servant's heart and the will to help us excel. Please welcome them when you see them working here to bring a smile to your face and new ideas to the board!

We have had nothing but great reviews on the new bands that we booked for this year. If you haven't been out to listen to them yet, please know that they are excellent and willing to take your requests! Please come out and join us for a fun Friday night of dancing or just tap your toes to some classic country music! Music will lift your heart and dancing will raise your heartbeat! It is a great way to exercise.

We made the tough decision to stop having the Silver Opry in 2020. I will publish the date of any upcoming special Opry shows if and when we are able to book it again. Thank you for your understanding and please know that we miss the Opry as much as some of you do... but there was just not enough attendance to continue to try to hold it every month. I do want to personally thank the band which included Vernon Doege, Fruit Balderas, Norman Govett, Nancy Kotzur, Bob Miner and Ron Sozzi, who was our sound man for their wonderful music and dedication to our center.

March has several important dates to remember. Election day is Tuesday, March 3rd. Any registered voters who vote in Guadalupe County can come to the Ezell Room at the Silver Center to cast their vote from 7AM to 7PM that day. Sunday, March 8th is the beginning of Daylight Savings time! So you'll need to make your clocks Spring FORWARD one hour. Lent is in March and St Patrick's Day is Tuesday, March 17th... and last but not least, Spring begins on Thursday, March 19th. I don't know if any of you have had a loved one that has fought the awful disease of cancer or not, but there is a truly worthy event held in Seguin on Thursday, March 5th that the Silver Center participates in every year known as Bras for a Cause. We sponsor a fun, highly decorated Bra that is modelled by a first responder and auctioned off at the event (ours is one of many) and the proceeds go to patients being served right here in Guadalupe County. I hope to see many of our members at the event since we have a very special lady that will be speaking!

I hope to see you here at the center soon... where the coffee is always hot and the smiles are always genuine.

-Glenda

## **TICKLE YOUR FUNNY BONE!**

Submitted by Velma Buie

A teenage boy had just passed his driving test and inquired of his father as to when they could discuss the use of the car. His father said he'd make a deal with his son, "You bring up your grades from a C to a B average, study your Bible a little, and get your haircut. Then we'll talk about the car." The boy thought about that for a moment, decided he'd settle for the offer and they agreed upon it. After about six weeks his father said, "Son you've brought up your grades, and I have observed that you are studying the Bible, but I am disappointed that you haven't had your hair cut." The boy said, "You know, Dad, I've noticed in my studies of the Bible that Samson had long hair, John the Baptist had long hair, Moses had long hair, and there is even strong evidence that Jesus had long hair." Dad replied, "Did you also notice that they walked everywhere they went?"

### **SMILES**

- 1) If your dog was barking at the back door and your wife was yelling at the front door, who do you let in first? The dog, of course. He'll shut up once you let him in.
- 2) What's worse than a Male Chauvinist pig? A woman who won't do what she is told.
- 3) I married a Miss Right... I just didn't know her first name was "Always."
- 4) Scientists have discovered a food that diminishes a woman's sex drive by 90%. It's called a wedding cake.
- 5) Why do men die before their wives? They want to!
- 6) Women will never be equal to men---until they can walk down the street with a bald head, a beer gut, and still think they are sexy.
- 7) In the beginning, God created the Earth and rested. Then God created man and rested. Then God created woman. Since then, neither God nor man has rested.

### **THE MANY ROADS OF LIFE AND A FEW WORDS OF WISDOM**

- 1) No matter how hard you try, you can't baptize a cat!
- 2) When your mom is mad at your dad, don't let her brush your hair.
- 3) Never trust a dog to watch your food for you.
- 4) Don't sneeze when someone is cutting your hair.

### **GREAT TRUTHS THAT ADULTS HAVE LEARNED**

- 1) Raising teenagers is like nailing Jello to a tree.
- 2) Wrinkles don't hurt.
- 3) Families are like Fudge---Mostly sweet, but with a few nuts.
- 4) A mighty oak is just yesterday's nut that held its ground.
- 5) Laughing is good exercise. It's like jogging on the inside.
- 6) Middle age is when you choose your cereal for the fiber, not the toy.

Why does a cow say MOO? Because her horns don't blow!

Did you hear about the elderly Chinese gentlemen that died of constipation recently?

His doctor says he died of Hung Chow!

I miss the 90s

still good for you,

what kale was.

NO SILVER CENTER OPRY FOR  
THE MONTH OF MARCH!

I really don't  
mind getting  
older, but my  
body is taking  
it badly.

MY MIND IS  
LIKE MY  
INTERNET BROWSER

19 TABS OPEN  
3 OF THEM ARE FROZEN &  
I HAVE NO IDEA WHERE  
THE MUSIC IS COMING FROM

**DO YOU EVER GET UP  
IN THE MORNING,**

**LOOK AT YOURSELF IN  
THE MIRROR AND  
THINK... "THAT CAN'T  
BE ACCURATE."**

**AGE IS JUST  
A NUMBER...**

**YEAH, AND  
JAIL IS JUST  
A ROOM.**

**GETTING OLDER IS  
JUST ONE BODY PART  
AFTER ANOTHER  
SAYING, 'HA HA, YOU  
THINK THAT'S BAD?  
WATCH THIS.'**

If you see me talking  
to myself,

I'm having  
a staff meeting.

### The 12 commandments of growing old...

- #1 - Talk to yourself, because there are times you need expert advice.
- #2 - Consider "In Style" to be the clothes that still fit.
- #3 - You don't need anger management. You need people to stop pissing you off.
- #4 - Your people skills are just fine. It's your tolerance for idiots that needs work.
- #5 - The biggest lie you tell yourself is, "I don't need to write that down. I'll remember it."
- #6 - These days, "on time" is when you get there.
- #7 - Even duct tape can't fix stupid - but it sure does muffle the sound.
- #8 - Wouldn't it be wonderful if we could put ourselves in the dryer for ten minutes, then come out wrinkle-free and three sizes smaller?
- #9 - Lately, You've noticed people your age are so much older than you
- #10 - You thought growing old would take longer.
- #11 - Aging sure has slowed you down, but it hasn't shut you up.
- #12 - You still haven't learned to act your age, and hope you never will.

And one more:

So you know you are growing old when "one for the road" means taking a pee before you leave the house

there is LIFE!

## What is Advanced Care Planning?

This is a process of coming to understand, reflect on, discuss and plan for a time when you cannot make your own medical decisions. Discussing and planning for patient's preferences for life sustaining treatment in the future.

## What is involved in the planning process?

Talking with family and health care providers about your care decisions and formally documenting them is very important. Legal documents discuss the type of care you want, where care happens, and who provides it so your family knows your choices and understand who you want to speak for you when you can't speak for yourself.

## Care decisions can be about:

- Choosing or refusing tests, procedures and medicines, and life-sustaining treatments.
- Choosing persons to speak for you when you are unable to speak for yourself.
- Completing the necessary legal documents that will guide health care professionals in the future.

## Where and by whom is this service provided?

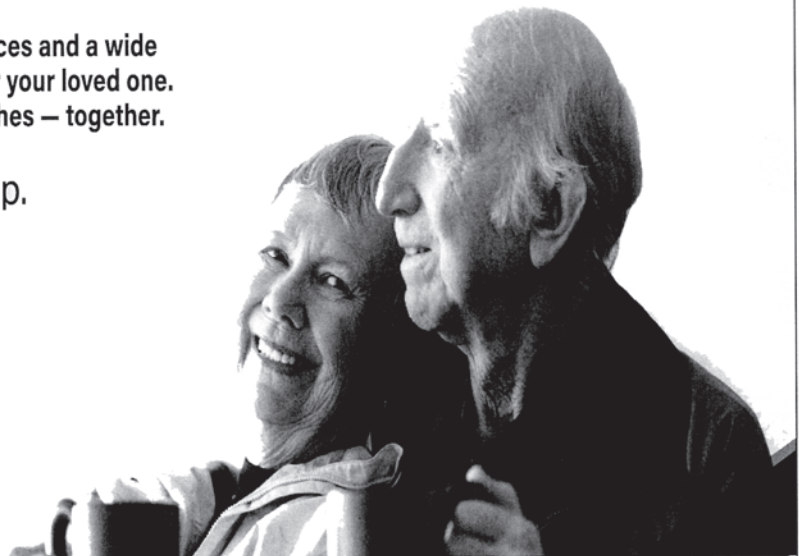

We believe the best time and place to have this conversation is before a health crisis occurs; over the kitchen table instead of over an ICU bed. We can see you at home, at your Assisted Living home, or your Nursing home, and sometimes in the hospital.

Our teams of Advance Care Planning Facilitators are specially trained to guide this conversation and to complete the necessary legal documents. We will provide all advance directives and this service is at no cost to you.

To arrange a consultation with an Advanced Care Facilitator please call: 830.401.7704.

Our staff offers unique funeral services and a wide variety of memorial options for you or your loved one. Call today to start planning your wishes — together.

We're here to help.
