Letter From the President:

Happy Spring everyone!

As I'm writing this, it is a beautiful day with clear skies, sunshine and cool temperatures. And it sure seems like time is flying by and summer will be here before we know it!

Our Silver Center continues to be extremely busy with both great events and not so great issues. We love seeing our facilities used in so many ways and the food and decorations are always wonderful. Thank you for your continued support! The "not so great issues" are the continued problems with maintaining our building - we had a previous water leak and then our hot water heater went out and leaked water again! Our new freezer had to be replaced and then our walk in cooler had a capacitor problem. Just like with our homes, there is always something to fix and pay for!

Our Board of Directors are working on new ideas. Of course, we are pleased with the turnout for our dances, please keep coming and bring your friends! Watch our marquee and future news letters as well as Facebook for upcoming events.

Please join us for lunch being served daily from 11:00 to 1:00 Tuesdays through Friday. They are home cooked meals with dessert and tea for \$12.00. You will leave full and needing a nap!! And if you need it delivered, call to set that up!

Take care everyone and please come and enjoy your Silver Center!! If you have any ideas, questions or suggestions, please stop by and visit with Glenda!

Rosie Van Booven

HELLO FROM THE FRONT DESK....

There's just something about spring time! Spring brings a smile to your face. It makes you think of grass growing and flowers blooming, and new beginnings. I hope you enter spring with warm sunshine on your face and in your heart. My life and my heart are full. God has been very good to me. I believe if we all sit down and look back (even if there have been hard times) you will find something to smile about. Please share them with a family member, a loved one, a neighbor and spread your joy.

We've had very good turnout at our fourth Friday dances the last couple of months and I hope you all come out to see Gordon Rockett and the Cavaliers in March at our fourth Friday dance. The talent we have in Seguin is wonderful. The dance floor, the music, and the good times are here for the taking. Please join us and thank these talented individuals that make it all happen.

May God Bless you and keep you!

Smile A While (BY Velma Buie)

Mrs. Jones' visit with her doctor

Seventy-eight year old, Mrs. Jones went to see her doctor for her annual physical. Dr was going over her list of medications, he was a bit puzzled when he saw that she was using Birth control pills. He questioned her for a minute, and she explained: My 18 year old grand daughter lives with me, and I slip one of those pills in her orange juice every morning at breakfast.

Whatever it's worth to you

Right after the marriage ceremony, the groom approached the preacher and asked him what he owed him. The preacher smiled and said, "Oh pay me whatever you think this marriage is worth." The young man reached in his pocket, and handed the preacher a dollar bill. The preacher thanked him and the young man continued to stand there, as if he was expecting something else. After the awkward pause, the preacher asked, "Was there something else?" The groom replied, "I was waiting for my change."

Two young ladies were talking, when one turned to her friend and said, "I hear you have broken your engagement to John because your feelings toward him aren't the same any more. Are you going to return his ring?" "Oh no, my feelings toward the ring are the same as ever."

A lady had her car windows tinted. A year later she still had not made an effort to pay for it. When the agent came to get his money, She replied, "You told me it would pay for itself in one year."

This evening, I asked my friend if he had taken a nap today. He replied, "I don't know—if I did, I slept right through it."

Louise came home and found Henry stalking around the house with a fly swatter in hand. "Killed any yet" she asked. "Yep," Henry answered. "Two males and a female." "How could you tell the difference?" "Well," said Henry, "Two were on a beer can and one was on the telephone."

Moving To A New Office

An orthopedic surgeon was moving his office to a new building across town. His secretary offered to help move some of his office things. She took the skeleton from his office and placed it on the front seat of her car, with the arms outstretched, so they would not break. As she was driving across town, she came to a stop light. She glanced over at the car next to her and saw several people staring at her car. She rolled down her window and said to them, "I'm taking him to my doctor's office." The man in the other car replied, "I think it is too late."

Dr. Jones's secretary turned in her resignation today. "Why?" asked her friend. "Because she saw him kissing his wife."

A little Humor

When we first met—it wasn't love at first sight, It was the 2nd time we dated, when I learned that her Dad was a Millionaire.

When I look at a candy bar---it just looks at me and Snickers!

Hey girl—I've lost my telephone number, can I have yours?

Teacher asked one of her students to spell Mississippi. He asked, "the state or the river.?" Joe asked Susan, "May I have the last dance with you?" She replied, "you just did."

If you have an April birthday, and are not on our list, please call us so we can update our records! Please note we currently make **to-go** lunches, with **preorder** on Tuesday or Thrusday!
