Letter From the President:

Happy Fall Everyone!!

Hopefully by the time you read this, the temperatures will have cooled off a little bit!! I enjoy summertime and warm weather, but I'm definitely ready for the fall colors and lower temps!! If we could just get some more rain it would be perfect!

Seguin is really growing these days. Regularly we are seeing new businesses opening, giving us new opportunities for shopping and I appreciate that. Since I am still working, I go out for lunch every day. I was recently surprised when I went to pay for my lunch (which wasn't large) and was told my ticket wasn't correct - the waiter had failed to put my tea on it. The cashier fixed it and to my surprise it was \$18!! I had left a tip on the table, so my lunch was over \$20. The service was okay, but not great, and a refill on my tea wasn't even offered.

I regularly enjoy eating lunch at the Silver Center!! I know I am biased, but you can get a home cooked meal for \$12!! That includes a meat entree, a salad, a vegetable, tea and a dessert!! And you can eat at the center, take it to go, or even have it delivered by our wonderful volunteers if you are not able to get out!! \$12 folks and you will be stuffed!!

So I'm inviting you to give us a try! We don't publish a monthly menu any more because what is served might depend on other events we are hosting. You can call the Center when we open at 9:00 and find out what is being served that day and order it. We do need to know in advance for planning purposes! And who knows, if I see you I might buy your lunch!!

As always, thanks for your support everyone!! I hope to see you soon!!

Rosie Van Booven

HELLO FROM THE FRONT DESK....

I constantly tell you guys to 'Go out and make a memory'. Well, in September, for my birthday, my husband took me to Panama and we made some awesome memories!

In this edition of our newsletter, you will see a few of the most memorable times that we had while meeting new people and seeing new places.

I want to sincerely thank our fabulous staff for keeping things rolling smoothly while I was gone. I have the best co-workers and board of directors ever!

October is turning out to be a busy month for us with the Noon Lions FALL FLING here the evening of October 3rd, **EZ Country's dance October 4th, Randy & the Posse's dance on October 18th**, as well as weddings, anniversary celebrations, and family reunions! **We hope to see you here at one or more of these events...**

I want to send out a special THANK YOU to the groups that use our building to gather here month to month. From the Bridge ladies to the Bunco gals... The Line Dancers and Friday night Dancers to the Mahjongg Mavens... we host fun here each and every week. Our lives are enriched by the friendships we find right here at our front door. Please consider joining us soon and feel the joy of friendship offered right here, right now!

I hope you have a Blessed month, stay well, and enjoy some delicious Halloween candy!

Smile Awhile

By Velma Buie

My husband brought home a World Map-handed me a dart and said, "Throw this and wherever it land-I'm taking you for a holiday". Well, it turns out we are spending two weeks behind the fridge.

Two old friends, Joe and Bill were reminiscing one afternoon. Joe asked Bill, "Did I tell you that my favorite Uncle John passed away?" "Oh no, I'm very sorry, did he remember you in his will?" asked his friend Joe. Bill said, "Oh yes, he remembered to leave me out." "Did he have Life Insurance?" Joe inquired. "Oh no" Bill said, "He had Fire Insurance-he knew where he was going."

WHY?

Why do drug stores make the sick people walk all the way to the back of the store to get their prescriptions, while healthy people can buy cigarettes at the front?

Why do people order double cheeseburgers, large fries and a diet coke?

Why do banks leave Vault doors open and then chain the pens to the counter?

At the outpatient center where I work, the anesthesiologist chats with patients before their operations to help them relax. One day he thought he recognized a co-worker from the VA hospital where he had trained. When the patient confirmed that his hunch was correct, the anesthesiologist asked, "so tell me, is the food there still as bad as it used to be?" "I suppose", she replied. "I am still cooking it."

If you think you're getting old

Your idea of weight lifting – is standing up.

Your memory is shorter – your complaining is longer.

Getting lucky means you found your car in the parking lot.

You have more patience, but it is actually that you just do not care anymore.

It takes twice as long--to look half as good

Your sink your teeth into a steak—and they stay there.

You finally get your head together and your body starts falling apart.

You wonder how you could be over the hill, when you don't even remember being on top of it.

You give up all your bad habits and still don't feel good.

Lady says to her doctor "My husband has a bad habit of talking in his sleep-what can I do to cure him?" The doctor replied, "Give him a chance to talk when he is awake."

Life without GOD is like a broken pencil, it has no point!!

We must never forget who gets the credit for the freedom we have---We should be eternally grateful!!

Birthdays
of the Month
