Letter From the President:

Hello everyone!!

Can you believe it's August already? I certainly can't! July flew by and it had so many ups and downs for so many people. I want to share something with you that happened at our dance on July 11th.

One of our faithful couples arrived and she asked if I was going to say anything about the folks affected by the Hill Country flooding. I told her I hadn't thought about it, but I certainly would do it! She suggested a moment of silence. At intermission, when we do our ticket drawings, I got everyone's attention. I commented that we are able to gather and dance and enjoy friendships, but for so many, that had been taken away by the flooding. As suggested, I asked for a moment of silence.

I never imagined the feeling that would overcome me at that point. Looking out over the ballroom, the cowboy hats and caps came off, and heads were dropped in respect for all those families. Thank you all for that special moment and thank you Helen Arp for the suggestion. That is something I will never forget!

On another sad note, we lost one of our own to an illness recently. Shelly Lindsey worked here at the Center for the past four years and was also a local hairdresser. She will be missed by many! Rest in peace Shelly - we love you!

As I always say, please be safe and thanks again for supporting the Silver Center!! Tell your friends and family that you love them! We hope to see you soon!!

Rosie Van Booven

I have some of the kindest folks on earth working here. Please stop in and visit with them and grab a lunch if you are in town! Speaking of our staff, I would like to ask for your prayers of Peace for the family of one of our catering staff members, Shelly Lindsey. Shelly was with us for 4 years. She worked closely with our Bridge ladies, Zonta ladies, & Mahjongg ladies. She succumbed to a very quick illness. She is now at peace, having been a Christian. She will be missed and in our hearts as we move forward. Please remember today is called the Present because every day here with our friends and family is a Gift. Please enjoy every day to the fullest. WE LOVE YOU, SHELLY!

May God keep you and Bless you. Until we meet again...

Wishing you love and good memories,

Glenda Partain

“Life is like a Mayonnaise Jar & Two Cups of Coffee”

When things in your life seem almost too much to handle... or when 24 hours in a day are not enough, remember the Mayonnaise Jar and Two Cups of Coffee.

A professor stood before his philosophy class and had some items in front of him. When the class began, wordlessly, he picked up a very large and empty mayonnaise jar and proceeded to fill it with golf balls.

He then asked the students if the jar was full. They agreed that it was.

The professor then picked up a box of pebbles and poured them into the jar. He shook the jar lightly. The pebbles rolled into the open areas between the golf balls.

He then asked the students again if the jar was full. They agreed it was.

The professor next picked up a box of sand and poured it into the jar. Of course, the sand filled up everything else. He asked once more if the jar was full. The students responded with a unanimous "yes."

The professor then produced two cups of coffee from under the table and poured the liquid into the jar, effectively filling the empty space between the sand. The students laughed.

"Now," said the professor, as the laughter subsided, "I want you to recognize that this jar represents your life.

The golf balls are the important things - God, family, children, health, friends, and favorite passions -- things that if everything else was lost and only they remained, your life would still be full.

The pebbles are the other things that matter like your job, house, and car.

The sand is everything else -- the small stuff.

"If you put the sand into the jar first," he continued, "There is no room for the pebbles or the golf balls.

The same goes for life. **If you spend all your time and energy on the small stuff, you will never have room for the things that are important to you."**

"So, pay attention to the things that are critical to your happiness.

Play with your children.

Take time to get medical checkups.

Take your partner out to dinner.

There will always be time to clean the house and fix the disposal.

Take care of the golf balls first -- the things that really matter. Set your priorities.

The rest is just sand."

One of the students raised her hand and inquired what the coffee represented.

The professor smiled. "I'm glad you asked. It just goes to show you that no matter how full your life may seem, there's always room for a couple of cups of coffee with a friend."

The coffee pot is always on at The Silver Center! Come on by!!!!

New Providers. Same Commitment to Care.

As Guadalupe Regional Medical Center continues our mission to expand healthcare access within the community and beyond, we're excited to welcome two highly skilled providers to our team.

Each brings unique expertise that will further enhance the quality of care we provide. Their arrival reflects GRMC's ongoing commitment to offering comprehensive, specialized services by ensuring our patients have access to top-tier medical care, right in their own neighborhood.

Jacob Somen, DO – Primary Care **Accepting new patients beginning September 2025**

Jacob Somen, DO, is a board-certified family physician who grew up in Carol Stream, Illinois. Initially drawn to psychology, he discovered a passion for holistic care and preventive medicine, which led him to pursue primary care.

He earned his undergraduate degree at Loyola University Chicago and his medical degree at Burrell College of Osteopathic Medicine in New Mexico. He completed his residency at North Country in Flagstaff, Arizona.

Dr. Somen finds fulfillment in the diversity of patient needs, requiring a broad knowledge of all body systems. He is particularly passionate about preventive care, women's health and geriatric care. His care philosophy focuses on collaborating with patients to make decisions together, respecting their treatment choices and creating personalized care plans.

As a first-generation college graduate in his family, he brings a unique perspective, emphasizing genuine relationships and aiming to make a positive impact on each patient's health journey. He is also Spanish-speaking, which helps him connect more personally with a diverse range of patients.

**411 S. King St.
Seguin, TX 78155
830.484.4200**

Gabriel Gonzales, DO – Gastroenterology **Accepting new patients beginning October 2025**

Gabriel Gonzales, DO, is a board-certified gastroenterologist with deep Texas roots, having spent much of his upbringing in Clyde. Initially drawn to bioengineering and mathematics, he found his calling in medicine through early hands-on experiences as a patient transporter and emergency medical technician.

Dr. Gonzales earned his undergraduate degree from The University of Texas at Arlington and his medical degree from The University of North Texas Health Science Center. He completed his residency and fellowship training in Fort Worth, rotating through Medical City Fort Worth, John Peter Smith Hospital, Baylor All Saints and The University of North Texas Health Science Center.

He has a special interest in inflammatory bowel diseases, particularly Crohn's disease and ulcerative colitis, as well as liver disease. He takes a comprehensive, patient-centered approach that emphasizes education, shared decision-making and individualized treatment plans. His goal is to align care with each patient's medical needs, preferences and social context.

Outside of his practice, Dr. Gonzales enjoys woodworking, fixing up cars, gardening and just about anything that gets him outdoors — hiking, backpacking or cycling. He shares these adventures (and the occasional home project) with his wife, Ally Goyer, DO, a Hospitalist at GRMC.
