Letter From the President:

Hello Friends!!

We have been blessed with the temperatures cooling off a bit and areas of rain here and there. I believe we would all appreciate more widespread rain, but we must be thankful for what we get! We are almost through with summer and the official date for autumn is September 22nd. I love summer, but I am ready for the changes that come in the fall!

We continue to have a full schedule at the Center, with such a variety of meetings, get togethers, celebrations and, of course, our dances. And Friday afternoons we offer free line dance classes for those interested in learning. And this month will have a "lunch and learn", too. Call or come by the Center for details!

We are planning an evening meal on Wednesday, October 15th. It is mainly a drive through meal, but if you would like to come inside to eat, that will also be available. This first drive through evening will be hamburger steak with gravy, mashed potatoes and green beans. We will have tickets for sale available in advance so that we know how many to expect.

We continue to have our noon meals and if you haven't had lunch with us lately, you are really missing out! Please call in advance so that we can plan how many meals we need to prepare.

As I always say, please be safe and thanks again for supporting the Silver Center!! Tell your friends and family that you love them! We hope to see you soon!!

Rosie Van Booven

★ HAPPY LABOR DAY! ★

HELLO FROM THE FRONT DESK....

September is turning out to be a fun-filled and busy month! We are holding the Zonta's Mahjongg tournament here on the 3rd. Delphians, Betas, Zontas, Tres Hewell luncheon, Charity Sewing Group, "Piece of Pie, for Peace of Mind" (Lunch & Learn), Friedens Bunco, a church service, debutante manners class, and Noon Lions are all here... as well as our private events for customers on weekends. Whew!

Mid-month is my birthday, and Norman and I will be in AFRICA on a CCA Banquet Safari! It's a l-o-n-g flight and something I never thought I would ever be able to do, so I hope to bring back a lot of fabulous pictures!

Several different groups here in Seguin use drive-through dinners as fund raisers... Our Board of Directors have voted to host our own fundraiser meal with a bit of a twist! Not only can you purchase tickets and "drive through" our parking lot, to grab your meals and go, but if you'd like a more relaxed meal, our bar will be open, music will be flowing, and our ballroom will be ready for you to come inside and dine, too! **Please mark your calendar for Wednesday, OCTOBER 15th from 5-7PM to enjoy a HAMBURGER STEAK evening meal with us.** Drive through or stay awhile... It's all up to you. Presale tickets are \$15 per person and these funds help us with expenses and keep our building able to help others in the community. Please don't forget the Silver Center if you have any medical equipment like wheelchairs and walkers that you no longer need. Our LENDING CLOSET has equipment for short term use when you need them! We do not ask for any money for lending these items out. We are just here when you need us!

DANCES in September:

Friday, Sept 12th we will host BIMBO & BORDERLINE from 7:30 – 11PM

Friday, Sept 26th we will host GABE GALVAN BAND from 7:30-11PM

Pre-sale tickets are available! Don't wait. Get your table reserved now.

Take care and I hope to see you all again soon!

Glenda Partain

"Life is like a Mayonnaise Jar & Two Cups of Coffee"

When things in your life seem almost too much to handle... or when 24 hours in a day are not enough, remember the Mayonnaise Jar and Two Cups of Coffee.

A professor stood before his philosophy class and had some items in front of him. When the class began, wordlessly, he picked up a very large and empty mayonnaise jar and proceeded to fill it with golf balls.

He then asked the students if the jar was full. They agreed that it was.

The professor then picked up a box of pebbles and poured them into the jar. He shook the jar lightly. The pebbles rolled into the open areas between the golf balls.

He then asked the students again if the jar was full. They agreed it was.

The professor next picked up a box of sand and poured it into the jar. Of course, the sand filled up everything else. He asked once more if the jar was full. The students responded with a unanimous "yes."

The professor then produced two cups of coffee from under the table and poured the liquid into the jar, effectively filling the empty space between the sand. The students laughed.

"Now," said the professor, as the laughter subsided, "I want you to recognize that this jar represents your life.

The golf balls are the important things - God, family, children, health, friends, and favorite passions -- things that if everything else was lost and only they remained, your life would still be full.

The pebbles are the other things that matter like your job, house, and car.

The sand is everything else -- the small stuff.

"If you put the sand into the jar first," he continued, "There is no room for the pebbles or the golf balls.

The same goes for life. **If you spend all your time and energy on the small stuff, you will never have room for the things that are important to you."**

"So, pay attention to the things that are critical to your happiness.

Play with your children.

Take time to get medical checkups.

Take your partner out to dinner.

There will always be time to clean the house and fix the disposal.

Take care of the golf balls first -- the things that really matter. Set your priorities.

The rest is just sand."

One of the students raised her hand and inquired what the coffee represented.

The professor smiled. "I'm glad you asked. It just goes to show you that no matter how full your life may seem, there's always room for a couple of cups of coffee with a friend."

The coffee pot is always on at The Silver Center! Come on by!!!!

New Providers. Same Commitment to Care.

As Guadalupe Regional Medical Center continues our mission to expand healthcare access within the community and beyond, we're excited to welcome two highly skilled providers to our team.

Each brings unique expertise that will further enhance the quality of care we provide. Their arrival reflects GRMC's ongoing commitment to offering comprehensive, specialized services by ensuring our patients have access to top-tier medical care, right in their own neighborhood.

Jacob Somen, DO – Primary Care **Accepting new patients beginning September 2025**

Jacob Somen, DO, is a board-certified family physician who grew up in Carol Stream, Illinois. Initially drawn to psychology, he discovered a passion for holistic care and preventive medicine, which led him to pursue primary care.

He earned his undergraduate degree at Loyola University Chicago and his medical degree at Burrell College of Osteopathic Medicine in New Mexico. He completed his residency at North Country in Flagstaff, Arizona.

Dr. Somen finds fulfillment in the diversity of patient needs, requiring a broad knowledge of all body systems. He is particularly passionate about preventive care, women's health and geriatric care. His care philosophy focuses on collaborating with patients to make decisions together, respecting their treatment choices and creating personalized care plans.

As a first-generation college graduate in his family, he brings a unique perspective, emphasizing genuine relationships and aiming to make a positive impact on each patient's health journey. He is also Spanish-speaking, which helps him connect more personally with a diverse range of patients.

**411 S. King St.
Seguin, TX 78155
830.484.4200**

Gabriel Gonzales, DO – Gastroenterology **Accepting new patients beginning October 2025**

Gabriel Gonzales, DO, is a board-certified gastroenterologist with deep Texas roots, having spent much of his upbringing in Clyde. Initially drawn to bioengineering and mathematics, he found his calling in medicine through early hands-on experiences as a patient transporter and emergency medical technician.

Dr. Gonzales earned his undergraduate degree from The University of Texas at Arlington and his medical degree from The University of North Texas Health Science Center. He completed his residency and fellowship training in Fort Worth, rotating through Medical City Fort Worth, John Peter Smith Hospital, Baylor All Saints and The University of North Texas Health Science Center.

He has a special interest in inflammatory bowel diseases, particularly Crohn's disease and ulcerative colitis, as well as liver disease. He takes a comprehensive, patient-centered approach that emphasizes education, shared decision-making and individualized treatment plans. His goal is to align care with each patient's medical needs, preferences and social context.

Outside of his practice, Dr. Gonzales enjoys woodworking, fixing up cars, gardening and just about anything that gets him outdoors — hiking, backpacking or cycling. He shares these adventures (and the occasional home project) with his wife, Ally Goyer, DO, a Hospitalist at GRMC.
