## Letter From the President:

### Happy New Year!!

**I hope each of you had a blessed holiday season. It seems like there were so many events going on in our community in December and I hope you were able to enjoy some of them!**

**And now we begin 2026!! I don't believe in making new year resolutions - I guess because I am pretty certain I wouldn't be able to make them happen! The only thing I know I will do is support our Silver Center and try my best to make it a fun, safe place to meet with friends and enjoy the companionship and company of others!**

**Please check our dance schedule here in this newsletter. We have changed things up a bit this year and I hope our Friday night dancers will continue to support us!!**

**As I always say, please be safe and remember to tell your friends and family that you love them! We look forward to seeing you soon!**

**Rosie Van Booven**

#### ITINERARY AT A GLANCE

Days 1–6 Hyatt Place Rapid City, Rapid City, South Dakota  
On some dates alternate hotels may be used.

Our Date  
July 31 through  
August 6, 2026

**Day 1: Friday, July 31, 2026 Rapid City, South Dakota** Welcome to the West. Your tour opens in Rapid City, long known as the gateway to the Black Hills. As travelers arrival times vary greatly, we have no group activities planned during the day. Tonight, you and your fellow travelers gather for a welcome dinner featuring a Native American chronicler who shares stories about the Lakota and Sioux way of life. (D)

**Day 2: Saturday, August 1, 2026 Rapid City - Mt. Rushmore - Rapid City** Learn the history of enterprising Westerners at the Chapel in the Hills. Continue to Mount Rushmore to spend time with the epic figures of Washington, Jefferson, Roosevelt, and Lincoln as you stroll along the Presidential Trail, offering the closest view of this iconic sculpture. This evening, return to Mount Rushmore for the nighttime lighting ceremony.\* (B)

**Day 3: Sunday, August 2, 2026 Rapid City - Badlands - Wall - Rapid City** This morning, visit the Oglala Lakota Living History Village. The Oglala Lakota are one of the seven tribes that make up the Great Sioux Nation. In their own voices, hear about their history, relationship to the land and modern-day culture. Then, embrace the allure of wide-open spaces and explore the larger-than-life Badlands National Park. At the visitor center, the stage is set for your adventure, with informative exhibits, displays and video to introduce you to the area. Travel the Badlands Loop Road, home to vibrant colors and rock formations created by mineral deposits. Visit the legendary Wall Drug, a store barely changed since 1936. Do a little browsing, have a seat at the soda fountain, and perhaps grab a bite for lunch. (B)

**Day 4: Monday, August 3, 2026 Rapid City - Deadwood - Rapid City** Get ready for Deadwood, where gold, gambling, and gunpowder were once the order of the day. This morning, **it's your choice!** Take a guided tour of the Adams Museum and explore dynamic exhibits that shine a light on Deadwood's legends and outlaws -OR- visit Kevin Costner's *Tatanka: Story of the Bison*, sculptures depicting the relationship between bison and the Lakota. This afternoon, this National Historic Landmark comes alive as if you've stepped onto the set of an old-fashioned Western. A local guide shows you the town, including where Wild Bill Hickok and Calamity Jane are buried. This evening, enjoy a dinner and Western show at the High Plains Heritage Center. (B, D)

**Day 5: Tuesday, August 4, 2026 Rapid City - Custer - Crazy Horse - Rapid City** Head to Custer State Park and keep your eyes peeled for bighorn sheep or wandering elk. Take in the lush landscape, rocky outcrops, and grazing animals as you make your way through South Dakota's first state park. Venture off road with an exciting Buffalo Safari, cruising deep into the park in an open-air jeep and searching for herds of roaming buffalo. This afternoon, visit Crazy Horse Memorial and delve into the story of the largest, still-in-progress mountain sculpture. Take time to explore the Indian Museum of North America, the Native American Cultural Center, the sculptor's studio, orientation center and theaters. (B)

**Day 6: Wednesday, August 5, 2026 Rapid City - Devils Tower National Monument, Wyoming - Rapid City** Get your bearings at the Geographic Center of the Nation, marking the middle of the US. Cross into Wyoming and view the first national monument - Devils Tower. Stand in awe before this lofty monolith, perhaps hiking the 1.3-mile Tower Trail around the base. Although famous as the backdrop in *Close Encounters of the Third Kind*, the tower is also sacred to many local tribes. This evening, join your fellow travelers for dinner as the end of your South Dakota adventure draws near. (B, D)

**Day 7: Thursday, August 6, 2026 Rapid City - Tour Ends** Say goodbye to Rapid City as your tour comes to a close today. (B)

### Experience It! Crazy Horse Memorial

Crazy Horse Memorial, the world's largest mountain sculpture now in progress, is located in the Black Hills of South Dakota. The nine-story-high face of Crazy Horse, a visionary leader committed to preserving the traditions and values of the Lakota way of life, was completed in 1998 when work shifted to the 22-story-high massive horse's head. The work was begun in 1948 by sculptor Korczak Ziolkowski at the request of Native Americans, and Ziolkowski determined that the memorial would be more than just a sculpture – it would be a humanitarian project, whereby the stories of Native American peoples would be relayed to present and future generations through the collection and preservation of Indian culture and heritage. Visitors to the memorial can view the progress of the sculpture, as well as tour an Indian museum, cultural center, the sculptor's studio, and orientation center. Although Ziolkowski died in 1982, his wife, Ruth, and their family continue to work on the project in collaboration with the Crazy Horse Memorial Foundation.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

To complete your tour, we include round-trip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.

# Champagne-Battered Fried Chicken Bites

Level: Easy  
Total: 25 min  
Active: 25 min  
Yield: 6 to 8 servings

Recipe courtesy of Amy Stevenson for Food Network Kitchen

*This twist on fried chicken is a fun way to start your New Year's Eve party. Open a bottle of sparkling wine for the batter and enjoy the rest with friends or family while you serve up these crispy fried morsels with a creamy caviar dip. As a bonus, the rice flour and cornstarch in this batter help the coating stay crisp much longer than a traditional all-flour batter. Just make sure to use plain rice flour (as opposed to sweet or glutinous rice flour). Inexpensive black caviar is fine for this recipe, but you could also go all out and use the good stuff – it's up to you.*

## Directions:

Special equipment: deep-fry thermometer

- 1 Pour 2 inches of oil in a large Dutch oven and heat to 360 degrees F on a deep-fry thermometer. Line a rimmed baking sheet with a cooling rack.
- 2 For the caviar sour cream, stir the sour cream, horseradish, lemon zest and juice, 1/4 teaspoon salt and a generous grinding of black pepper together in a small bowl. Add 1 ounce of the caviar and the chives and stir just to combine (don't overmix, you want to keep the caviar eggs whole). Refrigerate while you make the chicken.
- 3 For the chicken, combine the all-purpose flour, cornstarch, rice flour and 1 teaspoon salt in a large bowl. Whisk to combine. Whisk in the champagne to make a smooth batter.
- 4 Season the chicken pieces all over with 1 teaspoon salt and several grinds of pepper. Working in batches, dip about half of the chicken pieces in the batter, letting the excess drip back into the bowl. Add to the hot oil and fry, turning as needed, until deep golden and crisp, 4 to 5 minutes. Transfer to the cooling rack to drain and season lightly with salt. Repeat with the remaining chicken and batter, letting the oil return to temperature between batches.
- 5 To serve, garnish the dip with the remaining 1 ounce caviar and some more chives. Serve the fried chicken hot or warm, with the dip.

## Ingredients:

Vegetable oil, for frying	for garnish
1 1/2 cups sour cream	1 1/4 cups all-purpose flour
3 tablespoons drained prepared horseradish	1/2 cup cornstarch
2 teaspoons lemon zest	1/4 cup rice flour
1 tablespoon freshly squeezed lemon juice	1 1/2 cups (12 ounces) chilled Champagne or other dry sparkling wine
Kosher salt and freshly ground black pepper	
One 2-ounce jar caviar	2 pounds boneless, skinless chicken breast and/or thighs, cut into bite-size pieces
3 tablespoons chopped fresh chives, plus more

# Meet Your Local ENT: Jason Goodwin, MD

at Guadalupe Regional Medical Center

## Have you ever wondered what an ENT does?

ENT stands for ear, nose, and throat, and these specialists, formally called otolaryngologists, treat a wide range of conditions affecting these areas, as well as related issues in the head and neck. ENTs provide both medical and surgical care, helping patients of all ages with problems such as hearing loss, sinus troubles, snoring, sleep disorders, voice or swallowing difficulties, and more.

**Jason Goodwin, MD**, a native of the area, brings decades of experience from his decorated career in the Air Force, including multiple combat deployments, as well as clinical practice in the U.S. and England. He specializes in diseases of the ears, nose, and throat, offering comprehensive care for patients of all ages.

## Dr. Goodwin provides treatments for:

- **Ear issues:** hearing loss, tinnitus, chronic infections, ear tubes, balance disorders
- **Nose and sinus problems:** allergies, nasal obstructions, sinus surgery, snoring, sleep apnea
- **Throat and oral concerns:** tonsillectomy, adenoidectomy, voice and swallowing disorders, GERD
- **Neck and head conditions:** thyroid and parathyroid disorders, salivary gland issues, head and neck tumors
- **Pediatric ENT care:** ear infections, tonsil/adenoid problems, birth defects

He works closely with allergists to address conditions linked to environmental triggers or allergies, and he emphasizes lifestyle strategies, from diet and nasal rinses to stress management, to support long-term ENT health. Some of Dr. Goodwin's most rewarding procedures are simple yet life-changing. For example, placing ear tubes in children can dramatically reduce infections, improve hearing, and support better speech development—all in a quick, minimally invasive procedure.

**Whether it's sinus relief, improved hearing, or treatment for complex ENT disorders, Dr. Goodwin and the team at Guadalupe Regional are here to provide expert, compassionate care.**
