Hello, everyone! The summer is beginning to wind down and the beginning of school means fall will be here soon. We have been blessed this summer with rain and temperatures that haven't been too bad. It is so wonderful to still see green areas around town and not having everything burned up from the heat. I hope that you and your families and friends have been safe from the virus. With the numbers going up once again, we all need to be careful in our everyday lives to protect not only ourselves, but our community as well.

The Center has remained open and active. If you haven't been inside in a while, please stop by and look at the beautiful remodeling that has taken place. There is always a glass of iced tea available and possibly a cup of coffee. We have been blessed with the ability to do the remodel and even more blessed with the ideas brought forth and the talents to carry out this project. At every event that we have had, we hear so many compliments and that makes us very happy! Glenda and Pam have worked tirelessly with folks celebrating so many different types of events and always have the Center looking great!

We are trying to have a variety of dances and music. In June we filled the Ballroom with The Bittersweet Band with rock and roll music from the 60's and 70's. We had the Los Tovaes band scheduled for August, but with the rise in the covid numbers, we had to cancel, but have plans to re-schedule. On Saturday, September 11th, Kevin Cheney will be back with his Rhythm and Blues Band from Austin. He played the flute, harmonica and sang with Bittersweet. Tickets are on sale now! And we have just booked Rio with Frutoso Balderas for October 16th.

On Tuesday, September 21st at 5:00 PM we will try to have the Annual Membership and Volunteer Appreciation meeting. If you plan to attend, we need you to call and give us your RSVP so that know how many to plan for – (830) 303-6612. We, of course, will abide by any rules at that time that are in place due to the virus.

Stay safe and cool everyone! We hope to see you soon!

**Rosie Van Booven**

## HELLO FROM THE FRONT DESK....

Happy September folks! I made it! I'm glad that you did, too. We have a great dance coming up here on **Saturday, September 11th** at 8PM. **Keven Cheney** (you heard and saw him here with Bittersweet this summer) is binging his Rhythm & Blues band out of Austin for us. Please call to reserve your tickets for **Austones** today. You'll be glad you did! We will be hosting a dance once a month (as long as the virus allows it). A local band that you all know, named **Rio**, will be joining us on **Saturday, October 16th** and **Paul Sanchez & Wrangler Country** will be here **New Years Eve**, so put that on your calendar also.

If you don't have a dance partner, we can still help you have a great time on the dancefloor! **Starting on September EVERY FRIDAY AFTERNOON we will have a line dance instructor here in the Crystal Chandelier Ballroom to teach you the latest steps....** the best part is that you will enjoy some fun exercise and learn some steps without being out after dark! Beginners will have basic line dance steps taught at 2:30PM and the room gets going from 3-5PM with line dancing! We will continue to host this free event as long as people come out to enjoy the classes. The gentleman teaching these line dancing moves comes from Canyon Lake to teach his class. PLEASE COME OUT AND SUPPORT HIM, SO HE WANTS TO CONTINUE THE CLASSES! Our bar will be open for cold drinks and snacks.

**Please welcome Gary Kubenka, Norman Partain & Betsy Martin to our Board of Directors! They have filled some director slots that we had open. We are so proud to have them as part of our Board. If you know these fine folks please congratulate them and thank them for joining us.**

Our All Membership Meeting and Volunteer Appreciation will be on 9/21 at 5PM. I hope to see you here... but want to remind you that we need for you to RSVP, so we can have the room set up properly for you. If we have a large crowd we will meet in the ballroom. If it is a small group, we will meet in a smaller room. We will also have some goodies, but we will only cook to the number coming so please let us know by calling (830) 303-6612 today.

**Glenda**

1. Real friendship is when people know all about you...but like you anyway.
2. It doesn't matter how big your house, or how much money you have, or that you wear expensive clothes; our graves will be the same size...so stay humble.
3. What did our parents do when they were bored, before internet? I asked my 18 brothers and sisters and they didn't know either.
4. Do you know that great feeling when you get into bed, fall straight to sleep and wake up feeling refreshed and ready to take on the day...no, me neither.
5. An elderly fisherman bought a fancy sports car to recapture his youth. He drove it up to 120 m.p.h. Then he looked in the rearview mirror and saw flashing lights. He said to himself...I'm too old for this nonsense, and he pulled over to stop. The police officer said, "Sir, my shift ends in 10 minutes. If you can give me a good reason why you were speeding, I'll let you go." The old man replied, "Years ago, my wife ran off with a police officer, and I was afraid you were bringing her back." "That will do it," said the police officer.
6. The BRAIN is the most amazing organ. It works 24 hours a day, 365 days a year from birth until you fall in love.
7. Every woman's dream---her ideal man takes her in his arms, throws her on the bed, and cleans the whole house while she sleeps.
8. If I actually spoke my mind, I'd be in big trouble.
9. A man went into a café and sat his 6 children at a table to have lunch. The waitress asked, "Are all of these children yours?" "No. I work for a condom company and these are all customer complaints."

**An Aphorism is a statement of truth or opinion  
expressed in a concise and witty manner.  
For instance:**

I find it ironic that the colors red, white and blue  
stand for freedom until they are flashing behind  
you.

When wearing a bikini women reveal 90% of their  
bodies. Men are so polite they only look at the  
covered parts.

You know that tingly little feeling you get when you  
love someone? That's common sense leaving your  
body.

You're not fat, you're easier to see.

## ***CINNAMON APPLE CAKE***

½ cup butter, softened	1 cup Sugar
2 eggs	¼ tsp. Vanilla
1 ¼ cups All Purpose Flour	1 tsp. Baking Soda
1 tsp. Cinnamon	¼ tsp. Salt
1 ½ cup shredded, peeled apples (about 2 medium apples)	
½ cup chopped walnuts	

Heat oven to 350 degrees. Spray a 9-inch pan round cake pan with baking spray. Lightly flour.

In a large bowl, beat butter and sugar with electric mixer on medium speed until light and fluffy. Beat in eggs, one at a time. Stir in vanilla, flour, baking soda, cinnamon and salt.

Bake for 40-45 minutes or until toothpick inserted in center of cake comes out clean. Cool for 10 minutes. Remove from pan to cooling rack. Cool 10 minutes longer. Serve warm with ice cream.

## ***BAKED APPLES***

4 large baking apples (Rome Beauty, Jonathon, or Golden Delicious)  
¼ cup brown sugar  
1 tsp. cinnamon  
¼ cup chopped pecans (optional)  
¼ cup raisins  
1 Tbsp. butter  
¾ cup boiling water

Preheat oven to 375 degrees. Cut out holes in apples for stuffing. Rinse and dry the apples. Using a sharp knife or an apple corer, cut out the cores, leaving the bottom ½ inch of the apple intact. (If using a paring knife, first cut out the stem area and then use a small metal spoon to scoop out the seeds. Cut the holes so that they are an inch or so wide.

Stuff with brown sugar, cinnamon, and extras, and dot with butter. (Place the brown sugar, cinnamon, chopped raisins, and chopped pecans in a small bowl and stir to combine.)

Put the apples in a baking dish and stuff each apple with the sugar stuffing mixture. Place a dot of butter (a quarter of the Tbsp. called for in the ingredient list) on top of the sugar.

Pour the boiling water into the bottom of the baking dish. Bake at 375 degrees for 30 to 45 minutes, until the apples are cooked through and tender, but not overcooked and mushy. When done, remove the apples from the oven and baste them with the juice from the pan.

This is terrific with a side of vanilla ice cream.

## CHICKEN FRANCESE

Chicken Francese is something that anyone that grew up going to a classic “re-sauce” Italian place will hold dear to their hearts. These restaurants and bastions of Italian-American cuisine-like Eggplant Parmesan and Fettuccini Alfredo, exists all over the country and offer comforting, delicious versions of the classics. Francese is a preparation that can be used with all types of meat and seafood from shrimp to veal. For chicken, it involves dredging cutlet in flour and beaten egg, creating a pseudo batter. The cutlets are then pan fried and made crispy, albeit temporarily. You see, Francese is one of those dishes that epitomizes “Crispy gone soggy” a texture sensation that is one of my absolute favorites. In this case, the chicken becomes “soggy” because you finish them by simmering in a rich, lemony sauce that will knock your socks off!

3 boneless skinless chicken breasts (about 1 ¼ pounds), cut in half lengthwise	
Salt to taste	½ tsp. garlic powder
Pepper to taste	¼ cup Canola oil, for frying
2 large eggs	5 Tbsp. butter, cut into Tbsp. proportions
½ cup All Purpose Flour	½ cup white wine
½ cup chicken broth	½ lemon, zest and juice
Parsley for decoration	

Working with one piece at a time, place chicken cutlets between two sheets of plastic wrap. Using a meat mallet or the bottom of a small heavy skillet, pound out chicken so they are even thickness of about ¼ inch thick. Season all over with salt and pepper.

Beat eggs, garlic powder, and a pinch of salt in a pie plate of shallow baking dish. Place four in a second shallow dish.

Fill a large, heavy bottomed skillet with oil and place over medium high heat. Working in two batches, coat each cutlet in flour, shaking off excess then dip in egg. Place cutlets directly into the oil, being careful not to overcrowd the skillet.

Cook cutlets, flipping halfway through until golden brown, 5-7 minutes. Transfer cutlets to a paper towel lined plate to drain and season with salt and pepper. Repeat with remaining cutlets. Set aside.

Wipe out the pan of any excess oil and browned bits, then place back over medium heat. Toss 4 Tbsp. of butter in the remaining flour and add to the pan. Melt butter, stirring until just beginning to foam, then whisk in the wine. Raise the heat to medium high. Bring wine to a boil and cook for 1 minute.

Add stock, lemon juice and zest to the sauce and return to a boil. Reduce heat to medium and cook, whisking constantly until sauce is reduced by 1/3, 3-4 minutes. Once reduced, lower the heat to medium-low and swirl in the final tbsp. of butter until glossy.

Return the finished cutlets to the sauce and cook, flipping once, until heated through, 2-3 minutes. To serve, garnish with lemon slice and parsley.

# SMILE AWHILE

Submitted by Velma Buie

## AS I GROW OLDER...

1. I talk to myself, because I need expert advice.
2. I don't need Anger Management; I need people to stop ticking me off!
3. My people skills are just fine. It's my tolerance of idiots that need work.
4. The biggest lie I tell myself is, "I don't need to write that down. I'll remember it."
5. When I was a child, I thought a nap was punishment. Now it's like a mini vacation.
6. Even duct tape can't fix stupid, but it can muffle the sound.
7. Wouldn't it be great if we could put ourselves in the dryer for 10 minutes and come out wrinkle free and 3 sizes smaller?
8. "Getting lucky" means walking into a room and remembering why I'm in there.
9. The day the world runs out of wine is just too terrible to think about.

A 95year old man went to see his doctor for a check-up. He told the doc he was getting married in a week or so. Doc replied, "Mr. Jones, at your age that could be fatal." Mr. Jones replied, "Oh well, if she dies, she dies."

An old man goes to the wizard to ask him to remove a curse that he has been living with for the past 40 years. The wizard said, "Maybe if you can tell me the exact words that were said to put the curse on you." The old man says without hesitation, "I pronounce you man and wife."

## Men Strike Back

1. How many men does it take to open a beer? None. It should be open when she brings it!
2. How do you know when a woman is about to say something intelligent? When she begins her sentence with, "A man once told me."
3. Why do men pass gas more than women? Because women can't shut up long enough to build up the pressure required."

## Not So Smart Guy...

The other night I was kissing my girlfriend on the couch. She says, "You know we could take this upstairs." To which he replied, "Yeah, we could. You could grab one end, and I'll grab the other."

Sally said to her husband, "You know you used to be the "MAN AROUND TOWN!" "Yeah, now I'm just the "MOUSE AROUND THE HOUSE."

I sent my girlfriend a GET BETTER CARD. She ain't sick, but she could be better!

## POINTS TO PONDER

1. Love doesn't make the world go around, but it makes the ride worthwhile!
2. They tell you that you'll lose your mind when you grow older. What they don't know tell you is that you won't miss it very much!
3. Your dimples you get from your parents. Your wrinkles you get from your children!
4. If you always give, you will always have!
5. Never lose a chance to say a kind word!
6. Remember, being happy doesn't mean you have it all! It simply means you're thankful for all you have!

## **SEPTEMBER FUN FACTS**

**What happens in the month of September? It's a little for everyone with the last days of summer and the first ones of fall. September, in Old England, was called Harvest month. This was the time to gather up the rest of the harvest and prepare for the winter months.**

**Notable dates in September are:**

<b>Sept. 7</b>	<b>Labor Day</b>
<b>Sept. 13</b>	<b>Grandparents Day</b>
<b>Sept. 18</b>	<b>Rosh Hashanah</b>
<b>Sept. 22</b>	<b>Marks the start of fall</b>
<b>Sept. 27</b>	<b>Yom Kippur</b>

**September's zodiac signs are Virgo (Aug. 23-Sept.22) and Libra (Sept. 23-Oct. 22). Virgo's are humble, self-effacing, industrious, and practical, but under the surface they are frequently natural, kind, and sympathetic. They are methodical and quick thinkers, yet have so much mental energy that they are frequently stressed and tense. Libras are diplomatic and natural peacemakers. They are experts at being tactful in their relationships and in groups. They are fair and have a strong sense of justice. They are idealistic and prefer to look on the bright side.**

**People are inclined to think of September as the month of apples, as apple-picking becomes a common weekend pastime. Look in other sections of this newsletter for a few apple recipes.**

**September's birth flowers are the Aster and the Morning Glory. The Aster signifies powerful love, and the China Aster expresses variety or afterthought in the language of flowers. The Morning Glory symbolizes affection. It can also mean coquetry, affection, or bonds in the language of flowers.**

**This month's birthstone is the sapphire, which was once thought to guard against evil and poisoning. Sapphire is a form of corundum that is typically blue, a color caused by tiny bits of iron and titanium; the vivid, medium blues are more valuable than lighter or darker forms. These stones are thought to**

I'M AT THAT DELUSIONAL

EVERYONE MY AGE LOOKS  
WAY OLDER THAN I DO

SOME PEOPLE

IF I HAD ANY.

REMEMBER WHEN WE HAD  
TO SMACK THE TV  
BECAUSE THE CHANNEL  
WASN'T COMING IN CLEARLY?  
I FEEL THAT WAY ABOUT FAR  
TOO MANY PEOPLE.

My kids will never  
know the joy of  
finding a quarter  
in the coin return

I wonder why we  
are so so obsessed  
with trying  
to find  
intelligent  
life on  
other planets,  
when we can't  
even find  
intelligent life here?

I'm fairly certain  
that the person  
who put the first r  
in February  
also decided  
how to spell  
Wednesday.
